# BOBBY

"Our objective was simply to find the best head football coach for the University of Arkansas. We wanted to find a proven coach that has an established track record of success on the field, a coach that could bring innovative ideas and philosophies to both sides of the football. We wanted to find a coach that had won conference championships and, ideally, had competed and succeeded in the (Bowl) Championship Series). But just as importantly, we wanted someone who had exhibited a strong commitment to discipline and accountability with their student-athletes, a coach that stressed the fundamental responsibility of student-athletes to achieve at the highest levels, academically and athletically, while maintaining exemplary citizenship." - **Jeff Long, Arkansas Vice Chancellor and Director of Athletics, Dec. 12, 2007**

"I think as a fan it would be fun to watch his teams. He is an incredible play caller and I believe he has the best offensive mind in the game." - **Ryan Mallett, Arkansas quarterback**

"Coach Petrino is a perfectionist. A lot of people probably see the offensive numbers his teams have put up and think that is where he focuses all of the time. His teams do put up numbers on offense, that's for sure. He really focuses on the whole game though, offense, defense and special teams." - **Michael Smith, Arkansas running back**

"Bobby Petrino is the best quarterbacks coach in the game."  
- **The Sporting News, Jan. 22, 2008**

## Coach Petrino - Embracing Arkansas

In his time at Arkansas, Coach Petrino has reached out to the community, faculty and former players through numerous initiatives including the following:

- › Organized a ceremony at halftime of the 2009 Red-White game honoring the senior class from the past season and naming team award winners. He invited former players back to be a part of it and the following were on hand: Darren McFadden, Felix Jones, Shawn Andrews, Ken Hamlin, Quinn Grovey and Cedric Cobbs among others.
- › Studied and asked for consideration for a synthetic field surface to be installed at Razorback Stadium. The installation began immediately following our spring game and will be completed prior to the 2009 season.
- › More than 500 faculty members were in attendance at the 2009 Arkansas spring game to participate in Faculty Appreciation Day. This was the second year the event was held and the attendance was nearly double that of last year. It is hosted in the Indoor Club area of the stadium as a way to thank the faculty for their efforts and desire to continue to enhance a partnership in higher education.
- › Made appearances at several other Razorback sporting events including men's and women's basketball games and baseball.
- › Spoke to the "A" Club at a breakfast the morning of the 2009 spring game. More than 200 former Razorbacks from Seattle to Atlanta traveled to attend.
- › Asked to establish a weekly call in radio show, which is planned to begin this fall. It will be held at a local restaurant where fans can attend.
- › After reading an article discussing city budget issues, Coach Petrino utilized time that was allocated for team meetings during 2009 spring football to send the entire squad to the city library. The group spent part of an afternoon cleaning, stacking books and visiting with children.

## Recruiting

- › The recruiting class for 2009 was considered one of the best in school history. It was the first to be ranked inside the top 20 by Rivals.com since the network started in May 2001. It was the highest ranked (Scout & Rivals) class ever for Bobby Petrino as a head coach.
- › The 2009 signing class had players from eight different states. Arkansas signed as many players from the state of Florida as did Alabama. LSU and Georgia combined.
- › For the second straight year, the Razorback coaching staff signed every recruit in the state of Arkansas that was targeted.

## 2009 SEASON PREVIEW NOTES

### THE SCHEDULE

Arkansas starts the season Sept. 5 against Missouri State in Little Rock, Ark. The game marks the first start in Little Rock to a season for the Razorbacks since 2001 (14-10 win vs. UNLV). UA has started the season 32 times in Little Rock and owns a 24-7-1 record in those contests.

Arkansas will play one of the most demanding schedules in the country. The slate includes matchups with seven teams that reached bowl games in the 2008 season. Two of the seven appeared in BCS bowl games and four won their bowl matchups.

Starting with the Georgia game on Sept. 19, the Razorbacks are scheduled to play games 11-straight weeks. The last time UA played games 11 straight weeks was 1990 and the Razorbacks have done so 10 times prior to this year:

Year	Record (Overall/SWC)
1944	5-5-1, 2-2-1
1971	8-3-1, 5-1-1
1973	5-5-1, 3-3-1
1974	6-4-1, 3-3-1
1979	10-2, 7-1
1981	8-4, 5-3
1984	7-4-1, 5-3
1985	10-2, 6-2
1986	9-3, 6-2
1990	3-8, 1-7

Arkansas' schedule includes games against teams that have won each of the last three national championships (Florida 2006, '08; LSU 2007). Including this year's meeting with Florida, Arkansas has played the defending national champ eight times in the last 13 years. Overall, the Razorbacks are 7-12 against defending national title winners. Last year, Bobby Petrino became the only first-year head coach in school history to lead Arkansas to an on the field victory over the national title winner from the previous season.

Georgia returns to the SEC schedule as the Razorbacks will meet the Bulldogs for the first time since 2005 and the first time in Fayetteville since 2004. Arkansas has never defeated Georgia in Fayetteville (0-3 all-time).

Arkansas will renew its rivalry with former Southwest Conference foe Texas A&M on Oct. 3 when the teams meet in Arlington, Texas, at the brand new Dallas Cowboys' Stadium. The teams have not met since 1991, Arkansas' final year in the SWC. The Razorbacks lead the all-time series 38-24-3.

### THE STAFF

University of Arkansas head coach Bobby Petrino enters his second season in Fayetteville. The staff remained nearly intact from the 2008 season as the only change was the hiring of John L. Smith on Jan. 16, 2009, to replace Lorenzo Ward. Smith will coach the special teams and outside linebackers. Defensive Coordinator Willy Robinson will also oversee the entire secondary, which was coached by Ward last season. 2008 linebacker coach Reggie Johnson will focus on the inside linebackers during the 2009 season.

Bobby Petrino was one of 18 head coaches in their first season with a school in 2008. Of the 18, Coach Petrino was one of only four to lead his team to more than one win over an AP top 25-ranked team. Ten of the 18 were unable to lead their team to a victory over a top 25 team during their first season. Arkansas' 2009 schedule includes four teams that finished in the final 2008 AP top 25.

The UA staff enters this season with 223 years of coaching experience combined (212 on the collegiate level). Five members of the staff have been an offensive coordinator and five have coached in the NFL. Three have been a defensive coordinator and three have been a recruiting coordinator.

Following spring 2009 practices, Coach Petrino stated if the Razorbacks were to open the season today Ryan Mallett would start and Tyler Wilson would play the first series of the second quarter. Coach Petrino became acquainted with the approach from Coach (Howard) Schnellenberger who used it at Miami (Fla.).

### THE TEAM

Arkansas' leaders in each of the following departments are projected to return to the 2008 squad: rushing, receiving, scoring, all-purpose yards, tackles, tackles for loss, sacks, pass breakups, quarterback hurries, field goals, punt returns, interceptions, kick returns, forced fumbles and fumble recoveries.

Arkansas should return nine starters on defense and eight on offense. Arkansas should return a total of 32 players who made at least one start in 2008 (15 on offense and 17 on defense).

### THE OFFENSE

UA will again look to have a balanced attack on offense. In 2008, Arkansas was one of 11 teams in the nation and one of four in BCS conferences (Oklahoma, Missouri, Georgia) to feature a 1,000-yard rusher and average more than 250 yards passing per game.

Arkansas returns players that accounted for 99 percent of its rushing and 97 percent of its receiving yards during the 2008 season.

No quarterback on the roster has started a game for the Razorbacks. Ryan Mallett was 3-0 as a starting quarterback at Michigan in the 2007 season. Under

# ARKANSAS

Arkansas coaches stated that senior linebacker Wendel Davis was among those who had the strongest showings during the spring of 2009 for the Razorbacks. Davis has played in 35 career games and started seven, each of which came during 2008. Davis finished the 2008 season with 53 tackles and he is one of the top 10 tacklers from last year that returns to the Razorbacks for 2009.

Jerry Franklin made some of the most significant strides among all players in the winter 2009 conditioning program. The sophomore linebacker started all 12 games in 2008 and led the Razorbacks with 87 tackles.

In May of 2009, ESPN.com listed Joe Adams among the 10 names to remember for the fall. As a freshman, he finished third on the team in receptions with 31 for 377 yards and a touchdown. He has had at least one reception in each game of his college career.

Bobby Petrino, the Razorbacks have had four 300-yard passing games. In 2008, 26 teams nationally had four-or-more 300-yard games. Arkansas was one of two SEC teams that did so and one of 12 teams from a BCS conference.

The Arkansas offense loses only three of the 11 players that carried the ball at least once during the 2008 season (Casey Dick, Nathan Dick and Jeremy Davis). The top five rushers from 2008 return.

The offensive line loses Jonathan Luigs, who won the Rimington Trophy in 2007, and Jose Valdez. Wade Grayson is the only returning member of the offense who started every game for the Razorbacks in 2008. Ray Dominguez, who started 10 games last season returns, as well as DeMarcus Love and Grant Cook, who started eight games and four games in 2008, respectfully. In addition, Mitch Petrus returns after sitting out last season. Petrus started 12 games at offensive guard in 2007.

## THE DEFENSE

The Razorback defense returns each of its top 10 tacklers from 2008 and 14 of its top 16. Jerry Franklin returns after leading the squad in tackles with 87 stops as a redshirt freshman. The defense loses two starters from 2008 in safety Dallas Washington and cornerback Jamar Love.

Arkansas returns players who accounted for nine of its 11 interceptions in 2008 including Franklin and Ramon Broadway who both had a pair to lead the team.

Malcolm Sheppard returns as the team's leader from 2008 in tackles for loss (14.5) sacks, (6.5) and forced fumbles (2). Nine of the 11 players that made a sack in 2008 return to the team.

Fourteen freshmen (nine true and five redshirt) played in at least one game on defense for the Razorbacks in 2008. Eight of the 14 started at least one game (six true and two redshirt). Twenty-seven starts were made by true freshmen and 23 were made by redshirt freshmen.

The entire starting defensive line returns as DE Jake Bequette, DE Adrian Davis, DT Malcolm Sheppard and NG Zach Stadther are projected back for 2009. The returning four have 61 career starts between them.

Each of Arkansas' starting linebackers from 2008 should return to the team (Wendel Davis, Jerry Franklin, Freddy Burton). All three ranked inside UA's top six tacklers in 2008 as they combined for 206 stops on the season.

The secondary is projected to return free safety Elton Ford and cornerback Isaac Madison. Ford was limited throughout spring drills due to the neck injury he suffered last season against Tulsa.

## THE SPECIAL TEAMS

Arkansas loses punter Jeremy Davis who was the only player on the team who punted last season. Alex Tejada, who handled field goal duties much of last year, returns. Davis and Tejada split time kicking off for the Razorbacks in 2008.

Jarius Wright, Michael Smith and Jerrell Norton all returned punts for UA in 2008 and each of the three return. Dennis Johnson led the team in kickoff returns last year with 41 for 905 yards (22.1 avg.) and one touchdown (96 yards vs. Tulsa). He returns in 2009 after setting the school record for kickoff return yards in a season. He currently ranks seventh on the UA career list (1,749, Felix Jones, 2005-07).

Arkansas hired John L. Smith in January to coordinate the special teams. Smith was most recently the head coach at Michigan State from 2003-06. Michigan State's kickoff return average led the Big 10 in 2003 and the Spartans finished second in the league in punting average twice (2003, '06).

HEAD COACH BOBBY PETRINO

**B**obby Petrino has wasted little time showing Razorback fans and the rest of the college football world why he ranks among the most successful coaches in NCAA Bowl Subdivision football.

Entering his sixth season as a collegiate head coach and his second at Arkansas, Petrino has compiled a remarkable 46-16 record. His .727 winning percentage ranks seventh among all active Bowl Subdivision coaches. Petrino's collegiate head coaching resume includes leading his teams to four bowl game appearances, including a victory in the Bowl Championship Series' 2006 FedEx Orange Bowl in his ultra-successful four-year tenure at the University of Louisville.

Petrino blends 22 years of collegiate coaching experience with stints in the National Football League as both a head coach and assistant coach to total 26 years of coaching experience. In addition to Louisville, Petrino's college experience includes stops at Arizona State University, the University of Nevada, Utah State University and Auburn University. His NFL coaching tenures have come with the Jacksonville Jaguars and the Atlanta Falcons.

Long before his first game as head football coach at the University of Arkansas, Petrino's positive impact on a tradition-rich Arkansas program and a passionate Razorback fan base was abundantly evident. From the boisterous welcome offered from assembled fans at a late-night nationally-televised press conference announcing his hiring, to the record attendance numbers at Razorback Clubs in all corners of the state, there was

no question that Petrino's arrival in Fayetteville energized and unified the state behind their beloved Razorback football program.

Petrino's fingerprints on the Razorback football program were also recognizable on the field in his first season as the Razorbacks' head coach. Arkansas showed vast improvement in all phases of the game from the season opener to the memorable season finale. Petrino's commitment to an aggressive offensive approach, execution, balance, discipline and the sound principles of defense had clearly taken hold at Arkansas.

In 2008, Petrino faced the prospects of rebuilding a team and re-structuring a program after the loss of 13 starters, including arguably the two most prolific offensive players in school history. Petrino responded by guiding the Razorbacks to a pair of wins over nationally-ranked opponents (No. 20 Auburn and No. 19 Tulsa) and a thrilling come-from-behind win over the defending national champions (LSU) at the conclusion of the toughest schedule in school history.

In the process, Arkansas set six school passing records, boasted the most productive tight end in Razorback history, John Mackey Award semifinalist D.J. Williams, and featured a 1,000-yard rusher in Michael Smith. Arkansas quarterbacks produced four 300-yard passing games in 2008. Only nine times in the 114-year history of Razorback Football had the feat been previously accomplished.

Petrino's reputation for engineering high-octane and quick-strike offenses is well deserved. His teams have consistently ranked among the nation's best in total offense and scoring. Although sometimes perceived as a coach that focuses primarily on the passing game, in reality Petrino adheres to the philosophy of balance between offensive production on the ground and through the air. Consider that in the last 11 years of his college coaching career spent as a head coach, an offensive coordinator or both, Petrino's

offenses have boasted 76 100-yard rushers and 45 300-yard passers. That equates to 121 defining offensive individual performances in 132 total games.

In his coaching career, Petrino has worked with countless players who went on to play professionally, including an impressive list of NFL quarterbacks. As a head coach, he helped develop quarterbacks Stefan LeFors (2003-04) and Brian Brohm (2004-06) at Louisville. As a coordinator or assistant, he tutored Jason Campbell at Auburn (2002), Chris Redman at Louisville (1998), Jake Plummer at Arizona State (1993), and Doug Nussmeier (1990-91) and John Friesz (1989) at Idaho.

On Dec. 11, 2007, Petrino was named the 30th head coach in Razorback football history. The announcement marked Petrino's return to college football, the very landscape that put him on the coaching map.

Prior to his tenure as the head coach of the Atlanta Falcons during the 2007 season, Petrino coached four seasons (2003-06) at Louisville. His teams posted a combined record of 41-9 in his tenure for a winning percentage of .820.

In 2006, Petrino guided the Cardinals to a 12-1 record, including a 24-13 win over nationally-ranked Wake Forest in the BCS FedEx Orange Bowl. Louisville vaulted to as high as No. 3 in the polls during the season and finished with a final No. 6 national ranking in the Associated Press poll, the highest ranking in school history. Louisville had three victories over top-15 ranked teams, including wins over No. 15 Miami (31-7), No. 3 West Virginia (44-34) and No. 12 Wake Forest (24-13). The 12 victories also set a new school mark, breaking a record Petrino had held in part previously with 11 wins in 2004. The Cardinals won their first Big East Conference title, ranked second in the nation in total yards (475.3 yards per game) and fourth in the nation in scoring offense (37.8 points per game). Louisville also led the Big East in pass offense average (290.0) and first downs (296). Seven Louisville players earned first-team All-Big East honors, the most of any league school.

In 2005, Petrino led Louisville into the Big East Conference and guided the Cardinals to a 9-3 record and their first New Year's Day Bowl game since 1991. Louisville ranked ninth in the nation in total offense (482.1) and third in the nation in scoring offense (43.4). The Cardinals scored at least 30 points in 11 of 12 games, including eight games of more than 40 points, four games of 50 or more points and three 60-point outings. Seven Cardinals earned All-Big East

**"I used to play here (Arkansas) once a year, so I know a little bit about the program and with Bobby Petrino leading it now, Arkansas should be in good hands."**

**"It's impressive (Arkansas' facilities). It's hard to beat what Arkansas has. I had a chance to go through the Hall of Fame room where all the trophies are on display. The Razorbacks certainly have a great history, that's for sure."**

honors in the school's first year in the league, including Bronko Nagurski and Ted Hendricks Award winner Elvis Dumervil. Dumervil led the nation in sacks (20) and forced fumbles (10) on his way to consensus All-America honors. Running back Michael Bush led the nation in scoring (14.4), scored 24 touchdowns and became the school's first 1,000-yard rusher since 1999.

Petrino's 2004 Louisville team went 11-1, won the Conference USA championship and beat No. 10 Boise State in the Liberty Bowl, 44-40, to end the season ranked No. 7. The Cardinals led the nation in total offense (539.0) and scoring offense (49.8), surpassed 40 points nine times, scored 50 points seven times and set an NCAA record by scoring 55 or more points in five-straight games.

Petrino tied a then-school record for most wins in a season and had a perfect 8-0 record in league play. The Cardinals outscored their conference opponents 453-156 on their way to the school's third Conference USA crown. In the process, school records fell in points scored (597), points per game (49.8), total offense (6,448), touchdowns (80), rushing yardage (3,005), rushing touchdowns (47) and completion percentage (71.3). Under Petrino's tutelage, quarterback Stefan LeFors led the nation in completion percentage (73.5) and passing efficiency (181.74), narrowly missing NCAA records in both categories. The gaudy offensive production also allowed placekicker Arthur Carmody to set an NCAA single-season record with 77-consecutive extra points. Defensively, Louisville led the league and ranked No. 15 in the nation in total defense. The Cardinals were one of only three teams to rank in the top 15 nationally in both total offense and total defense. Louisville had the best combined ranking of any team when taking into account both sides of the ball. For his efforts, Petrino was named the 2004 Conference USA Coach of the Year.

The groundwork for the record-setting success to come was laid in Petrino's first season as a head coach at Louisville in 2003. Taking over a team that had finished 7-6 the season before, Petrino guided the Cardinals to a 9-4 record and a GMAC Bowl berth. The nine wins were the most by a first-year Louisville coach. It didn't take long for Petrino to set the tone in his first collegiate coaching stint. In his first career game as a head coach, Petrino led Louisville to a 40-24 win over arch rival Kentucky. Louisville led the league and ranked among the nation's best in total offense, rushing and scoring. The Cardinals ranked fifth in the nation in total offense (488.9), 10th in rushing (228.2) and 15th in scoring offense (34.6) in Petrino's inaugural season. Louisville set six Conference USA records including the mark for total yards after the Cardinals raked up 779 yards, including 445 rushing yards, in a 66-45 win over Houston.

Prior to Louisville hiring him as its head coach, Petrino served one season as the offensive coordinator at Auburn in 2002. In his one season with the Tigers, Auburn went 9-4, including three wins over top-10 ranked opponents, and won a share of the SEC Western Division title. The Tigers led the Southeastern Conference in pass efficiency and third down conversions, and were third in scoring, rushing and total offense. Petrino's influence on Auburn's offensive fortunes resulted in significant improvement as the Tigers improved to No. 31 nationally in scoring offense (31.3) and No. 38 in total offense (358.8) after finishing No. 86 and No. 73 in the same two categories,

respectively, in 2001. Auburn completed its season with a victory over No. 10 Penn State on New Year's Day in the Capital One Bowl.

Before going to Auburn, he spent three seasons in the NFL with the Jacksonville Jaguars. He was the quarterbacks coach in 1999 and 2000, and the offensive coordinator in 2001.

While with the Jaguars, he worked with quarterback Mark Brunell, who threw for 3,640 yards in 2000, which was the second-highest total in team history, and 3,309 yards in his 2001 season as offensive coordinator. In 1999, Jacksonville advanced to the AFC Championship Game.

In his first stint at Louisville, he was the offensive coordinator for the Cardinals in 1998. In that one season, Louisville was the top-ranked NCAA Division I-A team in scoring and total offense while recording the biggest turnaround in the nation. The Cardinals improved from 1-10 in 1997 to 7-5 in '98.

Petrino and quarterback Chris Redman helped the Cardinals set school records for points scored (444), scoring average (40.4), touchdowns (62), passing yards (4,498), passing touchdowns (33) and total yards (6,156). Redmen passed for 300 yards or more eight times on the season while reserve quarterback Mike Watkins also topped the 300-yard passing mark once. Louisville scored 60 or more points three times that season (wins over Cincinnati, 62-19; Western Kentucky, 63-44; and East Carolina, 63-45).

The Helena, Mont., native was the offensive coordinator at Utah State for three years (1995-97) before going to Louisville. While in Logan, Utah, he helped Utah State set school records by averaging 468.5 yards of total offense and 317.5 yards passing during the 1996 season. Prior to his arrival, USU averaged just more than 300 yards per game in total offense. In 1996, the Aggies also racked up a school-record 273 first downs, an average of nearly 25 first downs a game.

In 1994, he was the offensive coordinator and quarterbacks coach at the University of Nevada. The Wolfpack ranked second in the nation in passing (330) and total offense (500) per game, and was third in the nation with 37.6 points a game. During his one-year stint at Nevada, the Wolfpack boasted 10 100-yard rushing performances and six 300-yard passing efforts.

Nevada posted a 9-2 record and won a share of the Big West Conference title.

In 1992 and '93, he was the quarterbacks coach at Arizona State where he assisted in the development of future All-American and NFL star Jake Plummer. While with the Sun Devils, Petrino also worked with then-ASU quarterback and current UA quarterbacks coach Garrick McGee.

Prior to his two years at Arizona State he was the quarterbacks coach (1989) and offensive coordinator (1990 & 1991) for three seasons at the University of Idaho. He was the wide receivers coach at Weber State in 1987 and '88.

Petrino literally grew up in the coaching profession. His father, Bob Petrino Sr., coached at Carroll College in Helena, Mont., for 26 seasons, earning 163 victories and 15 conference titles. As a child, Petrino Jr. would race after school to the practice field to observe his father during his legendary career.

Bobby Petrino officially started his coaching career as a graduate assistant for his father at Carroll College in 1983. After a graduate assistant stint as quarterbacks coach at Weber State in 1984, Petrino returned to be the offensive coordinator for his father in 1985-86.

Carroll had the top-ranked offense in the NAIA ranks in both of his seasons, thanks in large part to the play of Bobby Petrino's younger brother Paul, who was a four-year starter at quarterback at Carroll College. Paul Petrino now serves as Arkansas' offensive coordinator and quarterbacks coach.

Before Bobby Petrino coached for his father, he played football for him at Carroll College. Petrino played quarterback and twice earned NAIA All-America honors. He led the Fighting Saints to three straight Frontier Conference championships and was named the league's most valuable player in 1981 and 1982. He also played four years of basketball at Carroll. Petrino earned a bachelor's degree in physical education with a minor in mathematics from Carroll College in 1983.

Born March 10, 1961, Petrino and his wife, the former Becky Schaff, have four children: Kelsey, Nick, Bobby and Katie. Nick is a member of the Razorback football team while Bobby plays football at the Air Force Academy.

**M**ike Summers is entering his 31st season as a collegiate coach and his second at Arkansas as assistant head coach and offensive line coach.

In 2008, Summers tutored center Jonathan Luigs who was a finalist for the Rimington Trophy and an All-SEC selection.

Summers was on Petrino's staff all four seasons at Louisville (2003-06) and spent the 2007 season on Petrino's staff with the NFL's Atlanta Falcons as the offensive line coach.

In his last year at Louisville, three of his linemen earned first-team All-Big East Conference honors (Renardo Foster, Kurt Quarterman and George Bussey). Summers' line spearheaded the attack for a unit that ranked second in the nation in total offense (475.3 yards a game), seventh in passing (290.0) and 12th in rushing (185.3).

In 2005, guard Jason Spitz earned All-Big East honors, was a third-round NFL draft choice of Green Bay and started 13 games in 2006. Five other offensive players earned league honors, including tackle Travis Lefew.

His 2004 line helped Louisville set a school record with 3,005 rushing yards and 47 touchdowns while allowing only 20 sacks and leading the nation in total offense. Louisville also set school records for total offense (6,468 yards) and points scored (597) with six Cardinals earning first-team All-Conference USA honors.

In Summers' first season at Louisville, his line improved from allowing 46 sacks the year before (2002) to just 13. The Cardinals also set what was then a school rushing record, and ended the season fifth in the nation in total offense (488.9) and 10th in rushing (228.2).

Before going to Louisville, he spent two years at Ohio (2001-02) where his offense ranked No. 8 in the nation in rushing in 2002 (239.8) and No. 6 in 2001 (240.1). The Bobcats also allowed only 14 sacks in 2002 and 11 in 2001.

In 2000, he was the tight ends coach and recruiting coordinator at Oklahoma State. From 1997-99, he was assistant head coach and offensive coordinator at the University of the South, where his offense ranked fifth in the nation in rushing and second in the conference in total offense during his three seasons.

He was at Oregon State from 1991-96, where he was assistant head coach and offensive coordinator. The Beavers led the Pac-10 in rushing four straight years and he was named the league's top "Offensive Backfield Coach" in 1993.

He began his career at Kentucky (1979-81) and Texas A&M (1982-84), where he worked with the offensive line. He also spent six seasons at Northern Illinois (1985-90), coordinating an offense that set 51 school records.

Born June 16, 1956, the Lexington, Ky., native played defensive back at Georgetown (Ky.) College and earned his bachelor's in business administration in 1978.

He and his wife Kathy have a daughter, Amy, who is a Louisville graduate. Kathy is the daughter of legendary Kentucky basketball coach Joe B. Hall.

## PAUL PETRINO

**OFFENSIVE COORDINATOR / WIDE RECEIVERS**

**P**aul Petrino, the younger brother of head coach Bobby Petrino, is in his second season as Arkansas' offensive coordinator and wide receivers coach.

In 2008, the Razorbacks set the school record for passing yards (3,115) and produced the ninth 1,000-yard rusher in the history of the program when Michael Smith recorded 1,072 yards.

The younger Petrino coached with his brother at Louisville from 2003-06 and in 2007 with the Atlanta Falcons of the National Football League. He was the receivers coach in Atlanta after working the four previous years as offensive coordinator and receivers coach at Louisville. Playing for Petrino in Atlanta, Roddy White enjoyed the best season of his NFL career with 83 catches for 1,202 yards.

His teams at Louisville averaged 41.1 points a game over his four seasons, including 34.6 in 2003, 49.8 in 2004, 43.3 in 2005 and 37.8 in 2006.

He has 18 years of collegiate coaching experience in addition to coaching a year in the NFL.

While he was at Louisville, the Cardinals and Texas Tech were the only two schools in the nation to rank in the top 10 nationally in total offense for four straight seasons (2003-06). In 50 games at Louisville, 41 of those victories, his teams scored 40 or more points 28 times, 50 or more 14 times and 60 or more seven times.

In 2006, when the Cardinals went 12-1, won the Big East Conference title, beat No. 12 Wake Forest in the Orange Bowl, 24-13, and finished the year ranked No. 6 in the nation, Louisville was second in the country in total offense (475.3), seventh in passing (290.0) and fourth in scoring (37.8). One of his players, Harry Douglas, made 70 receptions and set a school record with 1,265 yards in earning first-team All-Big East honors.

In 2005, Louisville (9-3) was ninth in the nation in offense (482.1) and third in scoring (43.4) with six offensive players earning first-team all-conference honors. Running back Michael Bush led the nation with 24 touchdowns while receiver Joshua Tinch was a first-team All-Big East selection and receiver Mario Urrutia was second in the nation in yards per catch.

The 2004 team, which won the Conference USA title, beat No. 10 Boise State in the Liberty Bowl, 44-40, finished 11-1, ended the year ranked No. 7 in the nation, led the nation in total offense (539.0) and scoring offense (49.8), and set an NCAA record by scoring 55 or more points in five straight games.

The Cardinals set school records for total yards, rushing yards and points in a season (597) in 2004. Louisville scored 50 or more points seven times. Receiver J.R. Russell earned all-conference honors for the second straight season after catching 73 passes. Russell had 75 receptions for a school-record 1,213 yards in 2003, when the Cardinals went 9-4.

Petrino began his coaching career as the quarterbacks coach and offensive coordinator at his alma mater, Carroll College in his hometown of Helena, Mont. He worked for his father, Bob, Sr., at Carroll in 1990 and 1991.

He moved to Idaho for the next three years (1992-94) where he coached receivers (1993-94), running backs (1992) and special teams. As running backs coach in '92, he coached Sheridden May, who earned All-America honors and led all I-AA players with 150 points scored while rushing for 1,111 yards.

He moved to Utah State for the next three seasons (1995-97) as receivers coach and special teams coordinator. In '95, receiver Kevin Alexander finished second in the nation in receptions and third in receiving yards.

In 1998, he went to Louisville for two years in his first stint on the Cardinal staff. In 1998, with Bobby coaching quarterbacks and Paul coaching receivers, UL set then-records for points (473), scoring average (39.4), touchdowns, passing yards, passing touchdowns, pass attempts, completions and total offense.

As receivers coach and special teams coordinator, Louisville was 7-5 in 1998 and '99 and earned bowl bids both seasons. Under Petrino's watch, Arnold Jackson had 90 catches for 1,165 yards in '98 and 101 receptions for 1,209 yards in '99.

Petrino coached three wide receivers who set single-season yardage records at Louisville. Jackson totaled 1,209 yards in 1999, Russell broke the record in 2003 with 1,213 yards and Douglas set the record in 2006 with 1,265 yards.

From 2000-02, he was the quarterbacks coach at Southern Mississippi. In his three seasons, the Golden Eagles went 8-4, 6-5 and 7-6 with two bowl bids.

Born in Butte, Mont., on May 25, 1967, he was a four-year starter at quarterback for his father at Carroll College from 1985-88. He set 16 school records and earned Kodak All-America honors and was named the Football Gazette NAIA Division II Player of the Year as a senior. In his four seasons, Carroll was 36-6 and won four Frontier Conference titles. Petrino was an all-conference and all-region selection all four years and was a two-time All-American.

Petrino and his wife Maya have two daughters, Anne Mari and Ava, and a son, Mason. Anne Mari and Mason are twins.

The defensive coordinator for the San Francisco 49ers in 2004, he was the secondary coach for the St. Louis Rams in 2006-07 where he coached former Razorback Darius Vinnett. He was the senior defensive assistant and secondary coach in New Orleans in 2005 after coaching the defensive backs for the Pittsburgh Steelers from 2000-03. He was also the secondary coach for the Seattle Seahawks from 1995-98.

In 1999, he was the defensive coordinator and secondary coach at Oregon State, where he coached the Pacific 10 Conference's top scoring and pass efficiency units. With the Rams in 2006, he helped St. Louis improve its pass defense to third-best in the NFC and eighth-best overall in the NFL, allowing only 189.7 passing yards a game, which was the lowest for St. Louis since 1998 (176.9).

While with the Seahawks, he helped Shawn Springs and Daryl Williams earn Pro Bowl berths.

Robinson coached the secondary at the University of Miami in 1994 before going with head coach Dennis Erickson to Seattle. Robinson also coached with Erickson at Oregon State and in San Francisco.

Before going to Miami, Robinson spent 14 years at Fresno State, his alma mater, under head coach Jim Sweeney. The Bulldogs advanced to six bowl games during his tenure. At Fresno, he coached the secondary (1980-86), outside linebackers (1987-89) and later the secondary again along with handling special teams (1990). In 1988, he was promoted to co-defensive coordinator and then served as sole defensive coordinator in 1992-93 before going to Miami for the 1994 season. Miami played for a national championship against Nebraska in the 1995 Orange Bowl.

He began his coaching career as a graduate assistant at Fresno State in 1978 and earned his first full-time position the following season as outside linebackers coach at San Jose State.

The Fort Carson, Colo., native played two seasons (1975-76) at the College of the Sequoias (Calif.) before transferring to Fresno State, where he played defensive back in 1977-78 and earned first-team All-Pacific Coast Conference honors as a junior and second-team honors as a senior.

## JOHN L. SMITH

**SPECIAL TEAMS COORDINATOR /  
OUTSIDE LINEBACKERS**

John L. Smith was hired in January of 2009 and is in his first season as special teams coordinator and outside linebackers coach. Smith has 36 years of collegiate coaching experience, including 18 years as a head coach. With his addition to the Razorback staff, Smith and

Bobby Petrino have worked together on the same coaching staff at four different schools (Idaho, Utah State, Louisville and Arkansas).

As a head coach, Smith posted a 132-86 overall record and produced six conference champions (two Conference USA, two Big West and two Big Sky). Twelve of his 18 teams participated in postseason play. Smith is one of 19 coaches in collegiate football history to take three different schools to a bowl game.

From 2003-06 Smith was the head coach at Michigan State where he led the Spartans to a 22-26 overall record. He was named the Big 10 Coach of the Year in 2003 by posting the most wins by a first-year head coach in school history with an 8-4 record. During his time in East Lansing, 41 of his student-athletes earned Academic All-Big Ten honors.

Prior to Michigan State, Smith spent five seasons at Louisville (1998-2002) where he led the Cardinals to then-unprecedented success. He posted a 41-21 record, including five-straight bowl appearances and back-to-back Conference USA titles in 2000-01. The five bowl trips equaled the number of postseason appearances Louisville had made prior to his arrival and the five-consecutive winning seasons marked a first for the program.

Smith spent three seasons as head coach at Utah State prior to Louisville. He finished with a 16-18 record in three seasons after taking over a program that had produced only two winning seasons in the previous 15 years. Smith led the Aggies to consecutive Big West crowns in 1996-97. In 1997, Utah State earned a trip to the Humanitarian Bowl marking the second bowl appearance for the school since 1961.

Smith arrived at Utah State following six seasons at the University of Idaho where he became the winningest coach in school history. His six-year mark of 53-21 at Idaho included a 34-11 Big Sky Conference record and five postseason appearances.

Before becoming a head coach, Smith spent two years as the defensive coordinator and assistant head coach at Washington State (1987-88) where he served under Dennis Erickson. He was also Erickson's defensive coordinator and assistant head coach at Wyoming during the 1986 season. Smith began his first stint at Idaho in 1982 where he served as Erickson's defensive coordinator and assistant head coach for four years (1982-85).

Smith's coaching experience includes stops at Nevada (1977-81) and Montana (1972-76). During his tenure as defensive coordinator at Nevada, the Wolf Pack led the nation in total defense, scoring defense and rushing defense in 1980. He began his coaching career in 1971 as a graduate assistant at Weber State.

A linebacker and a quarterback at Weber State, Smith earned Big Sky Conference scholar-athlete honors in 1971-72. He received his undergraduate degree in physical education with a minor in math in 1971. Smith earned a master's of science degree in physical education from the University of Montana in 1974.

Smith lettered in three sports – football, basketball and track – while attending Bonneville High School in Idaho Falls, Idaho. He is married to the former Diana Flora. They are parents of three children, Nick, Kayse and Sam.

THE SMITHS: (L to R) Diana and John L.

## BOBBY ALLEN

### DEFENSIVE TACKLES

**B**obby Allen is entering his 12th year on the staff at Arkansas, his second under head coach Bobby Petrino, but his third as the defensive line coach. A two-time co-defensive coordinator at Arkansas (1998 and 2000), he coached the cornerbacks in 2007 but coached the line in 2001 and 2008.

Allen was a part of former head coach Houston Nutt's staff from 1998-2007. This is his 27th overall season as a collegiate coach. He coached the Razorback cornerbacks from 2003-07 along with the free safeties from 2003-04.

In 2008, Allen instructed Malcolm Sheppard who ranked second in the SEC in tackles for loss (1.33 per game) and third in the league in sacks (0.62).

Under Allen's guidance, the Razorback secondary ranked among the best units in the nation in defending the pass in 2007. Arkansas led the SEC and was second in the nation in pass efficiency defense with a rating of 97.8. The Hogs ranked second in the SEC with 20 interceptions, including 11 by Allen's cornerback unit.

In addition, two UA cornerbacks, Michael Grant and Jerell Norton ranked in the top five of the conference's passes defended category. Grant led the SEC with 21 (1.62) passes broken up during the season while Norton ranked fourth with 15 (1.15). Norton led the team, tied for fourth in the SEC and tied for 40th in the nation with five interceptions (.38 per game) for 174 yards and a touchdown.

Grant led the cornerbacks and ranked fifth on the team with 75 tackles (61U, 14A). He also tacked on three interceptions for 15 yards. Grant's efforts earned him a spot on the All-SEC second team.

In 2006, cornerback Chris Houston, an honorable mention All-American, spent the season containing some of the best wide receivers in the nation. The junior held USC's Dwayne Jarrett to his lowest receiving output in 34 games and stifled other standouts, including Tennessee's Robert Meachum, Auburn's Courtney Taylor and Vanderbilt's Earl Bennett. Houston notched 45 tackles and a team-leading three interceptions for 129 yards and a touchdown. He also broke up a team-leading 13 passes.

In 2005, cornerbacks Michael Coe, Houston, Grant and Mattered Richardson finished first through fourth, respectively, on the team with a combined 29 passes broken up. Coe and Grant also tied for second on the club with three interceptions each, and those four had a total of 117 tackles, helping the Razorbacks rank 34th in the nation in total defense by allowing 341 yards per game.

In 2004, free safety Vickiel Vaughn was first on the team in tackles with 66 while freshman cornerback Darius Vinnett ranked fifth with 54 stops.

In 2003, UA ranked fourth in the Southeastern Conference and 21st in the nation by holding opponents to 187.0 passing yards per game. The Razorbacks also intercepted 17 passes, the third-most in the league.

Since joining Arkansas' coaching staff on Dec. 11, 1997, Allen has served as defensive coordinator (1998, 2000), coached the inside linebackers (1998-99), the middle and strong side linebackers (both in 2002), and the defensive line (2001, 2008) before handling the cornerbacks and free safeties in 2003 and 2004. Prior to the 2008 season, Allen worked with cornerbacks exclusively (2005-07).

Allen has held or shared UA's defensive coordinator duties on two separate occasions. He served as co-defensive coordinator with Keith Burns in 1998 and shared the duties with John Thompson during the 2000 season. When Burns left UA following the 1999 regular season, Allen was named the Razorbacks' defensive coordinator for Arkansas' meeting with Texas in the 2000 Cotton Bowl.

In 1998, Allen helped direct a Razorback defensive unit that ranked sixth nationally in rushing defense, 10th in turnover margin and 13th in scoring defense. In 2000, Allen helped guide a Razorback defense that allowed just 292.1 yards per game to lead the Southeastern Conference and rank 12th nationally in total defense.

Allen began his coaching career at Colorado where he served as a graduate assistant during the 1983 and 1984 seasons. After helping Minnesota to an Independence Bowl berth as a defensive secondary graduate assistant in 1985, Allen landed his first full-time position when he was named defensive coordinator at Drake, where he served from 1986 to 1988.

Allen was a standout prep quarterback at Seneca Valley High School in Gaithersburg, Md., where he was named the Washington, D.C., area player of the year as a senior and also excelled in baseball and basketball. He went on to earn three varsity letters while playing three positions, kicker, quarterback and outside linebacker at Virginia Tech, where he earned a bachelor of science degree in marketing in 1983.

Born March 5, 1959, Allen is married to the former Marcela Garcia. The couple has one daughter, Daniela, and three sons, Christian, Brandon and Austin.

## KIRK BOTKIN

### DEFENSIVE ENDS

**F**ormer Razorback tight end Kirk Botkin is in his second season as an assistant under coach Bobby Petrino. In 2009, Botkin will focus on the defensive ends after doing so in 2008 in addition to working with the special teams.

Prior to Arkansas, Botkin spent the two previous years coaching linebackers and special teams at Louisiana-Monroe.

He spent four years playing in the NFL and has worked as a special teams coordinator for eight years, 2008 at Arkansas, two at ULM and the previous five at Jacksonville State University.

At ULM in 2007, he helped the Warhawks record their first non-losing season in 14 years (6-6) with a win at Alabama.

From 2001-05, he was an assistant at Jacksonville State under former Arkansas head coach Jack Crowe. He was the offensive tackles and tight ends coach from 2001-03 and linebackers coach and defensive consultant in 2004 and '05 while also working as special teams coordinator all five seasons. His last two years, he was also the assistant head coach.

Highlights at JSU include winning I-AA Ohio Valley Conference titles in 2003 and 2004. He also coached an All-American punt returner and seven all-conference performers, including two at linebacker, four on the offensive line or at tight end, and one punter.

Special teams highlights include allowing no blocked punts at ULM while blocking 11 field goal or PAT attempts in 2006 and 2007, and an average of four punts and four field goal or PAT blocks a year in his five years at Jacksonville State.

The Baytown, Texas, native lettered at Arkansas from 1990-93. A team captain in '93, he was Arkansas' first All-Southeastern Conference selection, earning all-league honors as a tight end in 1992 and 1993. He was also named to Arkansas' All-Decade Team for the 1990s.

Botkin led the Hogs with 33 receptions for 257 yards in 1992 and had 23 catches for another 257 yards in 1993. For his career, he had 87 receptions for 819 yards and five touchdowns.

He helped Arkansas earn an Independence Bowl bid in 1991, he played in the 1993 Blue-Gray Game and ended his career seventh on Arkansas' career receptions list.

He spent four years in the NFL, including playing for Bill Parcells in New England (1994), Jim Mora in New Orleans (1994-95) and Bill Cowher in Pittsburgh (1996-97). He helped the Steelers win an AFC Central Division title and advance to the 1998 AFC Championship Game.

After an injury ended his career, he began his coaching career at his hometown high school of Robert E. Lee High in Baytown. He worked with the tight ends and receivers in 1999 before going to Rice where he coached tight ends as a graduate assistant in 2000.

Botkin is married to the former Rebecca Holloway of Hazen, Ark. They have three children Lane, Ty and Brynn.

## TIM HORTON

### RUNNING BACKS / RECRUITING COORDINATOR

Former Razorback Tim Horton is in his third season on the Arkansas coaching staff and his second under head coach Bobby Petrino. Horton is Arkansas' running backs coach and recruiting coordinator after serving as the running backs coach in 2007.

After returning to his alma mater on July 18, 2007, he has coached All-America running backs Darren McFadden and Felix Jones. McFadden was the Heisman Trophy runner-up and won the Doak Walker Award as the nation's top running back. McFadden finished the 2007 season with a school-record 1,830 yards and 16 touchdowns. Overall, Horton has coached a third of the nine Razorbacks in school history to rush for more than 1,000 yards in a season as Michael Smith recorded 1,072 in 2008.

At tight end in 2008, D.J. Williams set school single-game (10) and single-season (61) school records for receptions on his way to becoming the first John Mackey Award semifinalist in school history and the only sophomore among the eight.

Before returning to Arkansas, where Horton played from 1986-89, he was at Air Force for spring 2007, at Kansas State for the 2006 season and at Air Force for the seven previous years.

He came to Arkansas after taking the offensive coordinator and wide receivers coaching position at Air Force in January 2007. During the 2006 season, he was the running backs coach at Kansas State, helping the Wildcats earn a Texas Bowl appearance.

Prior to his one season at KSU, he spent seven seasons at Air Force (1999-2005). He was the receivers coach for six years (1999-2004) and the running backs coach for one.

He worked with former Falcon stars Matt Farmer, Ryan Fleming, Alec Messerall and Jason Brown.

Horton was recognized by the Colorado Chapter of the Fellowship of Christian Athletes as one of its coaches of the year in 2004.

He began his coaching career at Appalachian State in 1990 and helped guide the Mountaineers to a 67-32 record during his eight years, including Southern Conference championships in 1991 and 1995, and five appearances in the NCAA Division I-AA playoffs.

From 1990-92, Horton coached Appalachian State's receivers and tight ends before taking over as the Mountaineers' running backs coach in 1993. He also served as the program's recruiting coordinator.

A graduate of the University of Arkansas, Horton earned his bachelor's degree in marketing management in 1990. While at Arkansas, he was a four-year letterman and three-year starter as a split end and punt returner for the Razorbacks under head coach Ken Hatfield. He caught 49 passes for 942 yards and one touchdown in his career, including hauling in 23 catches for 453 yards as a senior in 1989. Horton also returned 78 punts for 657 yards in his collegiate career.

Horton's four years at Arkansas proved to be among the most successful in school history as the Razorbacks compiled a 38-11 record, won back-to-back Southwest Conference titles in 1988 and 1989 and appeared in four straight bowl games. In fact, Horton's graduating class remains tied for the school record for the most wins in a four-year period.

A two-time academic all-conference selection, Horton was a second-team all-conference selection in 1989 and served as the Razorbacks' team captain that season. In high school, Horton was a two-time all-state running back at Conway (Ark.) High School.

Horton and his wife Lauren have one daughter, Caroline, and one son, Jackson. Horton is the son of former Arkansas player, Razorback assistant coach, UCA head coach and current Razorback Foundation Executive Director Harold Horton.

Tejada became the first Arkansas kicker with four field goals in a game since Chris Balseiro's performance in the 2003 Independence Bowl. Late in the fourth quarter he made a PAT after Arkansas scored its only TD of the game. Against Ole Miss, Tejada was five-of-six on PATs, missing after an Andrew Davie TD half way through the fourth quarter. He was also one-for-two on field goals, missing a 42-yarder early in the third and making a 32-yarder early in the fourth. Back to perfect against FIU, Tejada was three-of-three on field goals (32, 43, 20) and seven-of-seven on PATs, scoring 16 of Arkansas' 58 points. Tejada was good for six made PATs against South Carolina. He attempted one field goal, a 50-yarder and missed it (wide left). He converted on both of his field goal attempts and one PAT, tallying seven points, at No. 22 Tennessee. He nailed field goals of 31 and 42 yards against the Volunteers. Against Mississippi State, he turned in a perfect outing, making six-of-six PATs and his only field goal attempt at 39 yards. Against No. 1 LSU, Tejada was once again on point, going six-of-six on PATs. He did not attempt a field goal. Against Missouri in the Cotton Bowl, he made his only PAT attempt, but missed a pair of field goals from 35 and 37 yards. An honorable mention freshman All-American and a second-team All-SEC selection, he led the team in scoring with 109 points, which is a school record for a kicker. He began playing football and place-kicking in the ninth grade. *Hawgs Illustrated* rated him the No. 10 prospect in Arkansas. Rivals ranked him the No. 20 kicker in the nation and the No. 20 prospect in the state. *HawgSports.com* listed him at No. 10 on its Natural 21 list. He chose Arkansas over LSU, Ole Miss, Nebraska and Vanderbilt.

# ARKANSAS

**OUTLOOK:** Wade will battle for time at the receiver position while continuing rehab from his season-ending knee injury. He has logged time with the scout team and against the Razorback defense but lacks experience on the field which could hurt his chances of seeing the field. He does not appear on the spring 2009 depth chart while he is recovering from a knee injury.

**2008:** Wade suffered a season-ending knee injury during 2008. He made an appearance in one game against Alabama and did not have a catch.

**2007:** He saw action in four games, but did not have any statistics and did not letter. He got on the field against Troy, North Texas, Auburn and Florida International.

**PERSONAL:** He is enrolled in the Fulbright College of Arts and Sciences. He was born Nov. 8, 1989.

**OUTLOOK:** He is one of the best pass-catching tight ends in the nation who should be a threat to capture the Mackey Award after finishing as a semifinalist in 2008. He returns to college football as the only semifinalist that led his team in receptions, receiving yards and receiving touchdowns last year. Many groups listed him as the best tight end in the conference in their preseason publications (Birmingham News, Lindy's, Phil Steele). Williams spent most of the spring focusing on becoming a better blocker. In the second major scrimmage of the spring, he led the team with seven receptions for 64 yards. He caught six passes for 41 yards and a touchdown in the Red-White game. His touchdown came on a nine-yard pass from Ryan Mallett in the first quarter. He will be a team leader in 2009 and the UA coaching staff will continue to find ways to get the ball in his hands each week.

**2008:** Williams had a record-setting season that saw him become the first Mackey Award (presented to the nation's top tight end) semifinalist in school history. He was named a SI.com Honorable Mention All-American and he was an All-SEC first-team selection by the Associated Press and a second-team honoree by the coaches. The Little Rock Touchdown Club named Williams the team MVP for the 2008 season. Williams played in all 12 games and started nine in 2008. He finished as the team leader in receptions (61), receiving yards (723) and receiving touchdowns (3). He set school records for catches by a tight end in a season (61) and in a game (10 for 129 vs. Ole Miss). His 61 catches and 723 receiving yards ranked sixth among all tight ends nationally in 2008. His 24 catches and 275 yards against Top 25 teams were the third-highest totals for any tight end in the nation in 2008. Nearly half of his catches resulted in a first down for the Razorbacks (29 of 61, 47.5 pct.) and he accounted for nearly 25 percent of Arkansas' receptions and receiving yards in 2008. He set a then-career high in receiving yards (124), touchdowns (2) against Louisiana-Monroe. He had six receptions for 129 yards in the victory over No. 19 Tulsa, which was his third 100-yard receiving game of the season.

**2007:** A backup at tight end to Andrew Davie, he played in every game except the Cotton Bowl. He was Arkansas' lone starting tight end against Kentucky and started along with Davie in a two-tight end set against Chattanooga. His catch marked a first down and led to a Darren McFadden rushing touchdown. He did not record any statistics as a reserve tight end against Alabama. Two of Casey Dick's passes were intended for him but he was unable to haul them in. He made one tackle after a Casey Dick pass was intercepted in the first quarter. In his start against Kentucky, he made one catch for 24 yards. His catch on Arkansas' first play of the game led to a first down and extended the drive to Alex Tejada's field goal kick. He logged time at tight end against North Texas. He made one catch for 28 yards. His catch was good for an Arkansas first down. Starting at tight end with Davie, Williams did not record any stats but blocked the way for McFadden and Jones to record 100-yard rushing games against Chattanooga. ## 2008 SEC FOOTBALL QUICK HITTEES

- Florida defeated Oklahoma, 24-14, in the BCS National Championship Game on Jan. 8 in Miami, Fla. The Gators give the SEC its third consecutive national championship (LSU, 2007; Florida 2006), its fifth title in 11 years of the BCS and its seventh since conference expansion in 1992. It is the SEC's 19th national championship in its history (counting only AP, UPI, FWAA and USA Today polls).
- The SEC is the only league to currently have four football coaches who have won a national championship as a head coach. Steve Spurrier, South Carolina (won title in 1996 while at Florida) Nick Saban, Alabama (won title in 2003 while at LSU) Urban Meyer, Florida (won titles in 2006 and 2008) Les Miles, LSU (won title in 2007)
- The SEC had four teams ranked in the top 15 of the final Associated Press and USA Today coaches polls - the most of any conference. Since 1983, the SEC has placed four teams in the top 15 of the AP poll 13 times (out of 26 years) and the USA Today poll ten times. The SEC has had four teams ranked in the top 15 in five of the last six seasons in the AP poll (four in a row) and four of the last nine seasons in the USA Today poll.
- The SEC finished the 2008-09 bowl season with a 6-2 record. During the last three bowl seasons, the SEC is 19-7 (.731) — the highest win total of any conference and the second highest winning percentage of any conference (Big East — 12-4, .750). No other conference has won more than 12 bowl games during the last three seasons. • In 2008, the SEC led all NCAA FBS conferences with a 76.7 winning percentage in non-conference games. The SEC posted a 43-13 overall non-conference mark, edging out the Big 12 Conference with a 42-13 mark (76.4 percent). It marks the third year in a row that the SEC has led all NCAA FBS conferences in non-conference winning percentage.
- The SEC finished the 2008 season with eight teams earning at least seven-or-more victories for the third straight season. Every SEC team has reached at least seven wins at least once during the last two seasons.
- The SEC drew 6.4 million fans to its games in 2008, the most by any conference in 2008. In 83 game dates, the SEC averaged 76,832 fans per game, which is the highest mark in NCAA history. SEC games filled stadiums at 98.41 percent of capacity, which is the highest since 1999.
- SEC student-athletes and coaches won six major awards during the 2008 season — Florida QB Tim Tebow (Maxwell Player of the Year and Wuerffel Trophy), Alabama OT Andre Smith (Outland Trophy), Alabama coach Nick Saban (Walter Camp Coach of the Year, Home Depot Coach of the Year, Eddie Robinson Coach of the Year). The SEC has won a major National Player of the Year Award four times in the last six seasons (2003 — Eli Manning, Ole Miss, Maxwell; 2007 — Tim Tebow, Florida, Maxwell & Heisman; 2007 — Darren McFadden, Arkansas; Camp; 2008 — Tebow, Maxwell).
- The SEC had 13 football student-athletes earn first-team All-America mention in 2008. Included are seven consensus All-Americans: Alabama OT Andre Smith, Ole Miss OT Michael Oher, Alabama C Antoine Caldwell, Alabama NG Terrence Cody, Florida LB Brandon Spikes, Tennessee DB Eric Berry and Florida RS Brandon James. Also earning first-team honors were Vanderbilt DB D.J. Moore, LSU OG Herman Johnson, Ole Miss DT Peria Jerry, Georgia RB Knowshon Moreno, Alabama DB Rashad Johnson and Florida ATH Percy Harvin.

### CHAMPIONSHIP GAME QUICK FACTS

**Date:** Saturday, Dec. 5  
**Site:** Georgia Dome; Atlanta, Ga.  
**Capacity:** 71,500  
**Time:** TBA  
**TV:** CBS Sports

The Georgia Dome in Atlanta is the site of the 2009 SEC Championship Game.

The SEC's Western and Eastern Division winners meet in Atlanta's Georgia Dome to battle for the league championship and the right to represent the conference in the Bowl Championship Series.

The 18th annual title game is set for Dec. 5 and will be nationally televised by CBS Sports.

The game is a result of conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history in 1992. Under NCAA regulations, a conference with 12 members may play a 12th football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning percentage in each division.

### ARKANSAS IN THE SEC CHAMPIONSHIP GAME

**2006: Florida 38, Arkansas 28** — Florida scored a touchdown with nine minutes left in the game and held on for the 38-28 victory over Arkansas.

Down 17-7 at the half, Arkansas took a 21-17 third-quarter lead on a two-yard reception by Felix Jones and a 40-yard interception return by Antwain Robinson. Arkansas (10-4) could have had a chance to build on the lead, but the Gators recovered a fumbled punt in the end zone to move back in front 24-21 with 3:47 left in the third period. Percy Harvin, who scored on a 37-yard pass from Chris Leak in the second quarter, scored on a 67-yard run early in the fourth to put Florida up 31-21.

Jones scored his second touchdown on a 29-yard pass from Cedric Washington to cut the margin to three.

Darren McFadden finished with 73 yards on 15 carries and Jones 57 on 13. Casey Dick was 10-of-22 passing for 148 yards with a touchdown and two interceptions.

Harvin had 105 yards on six carries for Florida, which went on to win the national title at 13-1, while Leak was 16-of-30 for 189 yards with a touchdown and two interceptions.

**2002: Georgia 30, Arkansas 3** — Georgia (12-1) scored on its first five possessions for a 23-0 halftime lead and posted a 30-3 victory. Georgia claimed the SEC title just 75 miles from its Athens campus.

Musa Smith rushed for 106 yards and two touchdowns. David Greene threw for 237 yards and a score, earning the game's MVP award. Terrence Edwards had seven catches for 92 yards, becoming the SEC's career leader in receiving yards.

Arkansas (9-4) had won six in a row to earn its second trip to the league championship game.

The Razorbacks had a punt blocked by Decory Bryant on their first possession and Thomas Davis scooped up the loose ball and ran to the Arkansas 2.

On Georgia's next possession, Smith, who scored after the blocked punt, finished off the drive with a 17-yard scoring run. Georgia's next three possessions ended with field goals by Billy Bennett, who connected from 29, 42 and 39 yards to provide the halftime margin.

Arkansas led the SEC in rushing offense with an average of 243 yards per game but managed just 65 against Georgia. Fred Talley, a 1,000-yard rusher, was held to 51 yards on 17 carries while Matt Jones managed only 12 yards on nine carries. Jones completed 9-of-17 passes for 60 yards.

**1995: Florida 34, Arkansas 3** — A prime-time (ABC) television audience and a sell-out crowd (71,325) in the Georgia Dome saw Florida post a 34-3 victory.

Florida out-gained Arkansas by only 97 yards, 396-299, but the Gators committed no turnovers while Arkansas lost the ball four times.

Arkansas got on the scoreboard first when Todd Latourette kicked a 36-yard field goal with 7:26 left in the first quarter. The Razorbacks were dealt some bad news on that drive, however. Sophomore running back Madre Hill, who finished third in the conference in rushing, was lost for the game with a knee injury.

Arkansas made its most recent appearance in the SEC title game in 2006 where defensive end Antwain Robinson returned an interception 40 yards for a touchdown against Florida.

Without question, the proudest moment in the history of Arkansas Razorback football is the 1964 national championship. Head coach Frank Broyles led his '64 team to an undefeated 10-0 regular season record and a 10-7 Cotton Bowl victory over Nebraska.

The 1964 national championship was historic not so much for who won but for when the title was awarded.

In 1964, seven different entities named a mythical national champion. The two most notable polls to fans at the time — The Associated Press and the United Press International — did not wait until after the bowl games to award their champion. Because of that, Alabama was named the national champ by the AP, UPI and

Litkenhous groups. However, the Crimson Tide went on to lose, 21-17, to Texas in the Orange Bowl and finish 10-1 on the year.

Arkansas remained the only undefeated team in the country at 11-0 with its victory over Nebraska. Two groups who waited until after the bowl games to name their champion — The Football Writers Association of America and the Helms Athletic Foundation — named Frank Broyles' Razorbacks as national champs. Notre Dame and Michigan also were honored by lesser known polls. Both the AP (1965) and UPI (1974) eventually changed their procedure, choosing to wait until after the bowls to announce their final polls.

1978 FWAA 1st

He was in the backfield 37 times for 216 yards in losses during his career. Following the 1977 regular season, Walker recovered a fumble that aided in the Hogs' drumming of Oklahoma in the Orange Bowl. A year later, he made 86 tackles with a then-school record 19 tackles for loss and was named the most outstanding defensive player after making 10 tackles in the 1978 Fiesta Bowl.

## OUTLAND TROPHY

(Outstanding Lineman in College Football)

Loyd Phillips

Named for John Outland, an All-American tackle at the University of Pennsylvania in 1897, this trophy is presented by the Football Writers' Association of America to the nation's outstanding collegiate interior lineman.

Arkansas boasts two Outland Trophy winners in its history. An offensive guard and defensive tackle, Bud Brooks was the first UA honoree in 1954. Tackle Loyd Phillips became the Hogs' second winner when he won the award in 1966. The honor is one of the most prestigious awards ever earned by an individual UA player.

**1966:** Loyd Phillips, defensive tackle

**1954:** Bill "Bud" Brooks, defensive tackle / offensive guard

**Darren McFadden**

## DOAK WALKER AWARD

(Outstanding Running Back in College Football)

The Doak Walker Award was created in 1989 to recognize the nation's premier running back for his accomplishments on the field, achievement in the classroom and citizenship in the community. It is the only major collegiate football award that requires all candidates to be in good academic standing and on schedule to graduate within one year of other students of the same classification.

The award is named for the former SMU great, who earned All-America honors in 1947, '48 and '49, and won the Heisman Trophy in 1948. Ten semifinalist are selected by the SMU Athletic Forum Board of Directors and the winner then chosen by the Doak Walker Award National Selection Committee.

Darren McFadden won the award as a sophomore in 2006 and as a junior in 2007 when he was also named the Walter Camp National Player of the Year. He was also the Heisman Trophy runner-up each season. He set a school rushing record with 1,647 yards and 14 touchdowns as a sophomore, and topped those totals with 1,830 yards and 16 TDs as a junior. He led the SEC in rushing and all-purpose running both years.

## RIMINGTON TROPHY

(Most outstanding collegiate center in NCAA I-A)

The winner is selected by determining the consensus All-American center from four existing All-America teams — the American Football Coaches Association, Walter Camp Foundation, Sporting News and Football Writers Association of America.

The award is named after Dave Rimington, a two-time consensus All-American at Nebraska in 1981 and 1982. Rimington also won the Outland Trophy those two seasons. The trophy is sponsored by the Boomer Esiason Foundation to support treatment and research of cystic fibrosis.

Jonathan Luigs won the award in 2007 after helping clear the way for Darren McFadden, the Heisman Trophy runner-up and Doak Walker Award winner, to rush for 1,830 yards and 16 touchdowns; and for All-American Felix Jones, who ran for 1,162 yards and 11 scores.

Luigs earned first-team All-America honors from the FWAA, The Sporting News, Walter Camp, Rivals, College Football News and Phil Steele. Arkansas set school records with 3,725 rushing yards on the season and ranked fourth in the nation, with 5,850 yards of total offense, and in scoring with 485 total points and 37.3 points per game.

# ARKANSAS

The ultimate honor is to have your jersey number retired, and in the 115 years that the Razorbacks have been on the football field, only two players have had the honor bestowed upon them. Clyde Scott

(No. 12) and Brandon Burlsworth (No. 77) have worn numbers no future Razorback will ever wear.

## No. 12

### Clyde “Smackover” Scott – #12 (1946-49)

Following a glamorous career in the 1940s, the athletic department decided to retire No. 12. Nicknamed “Smackover” for his hometown, Scott made a name for himself in 1948, winning the silver medal in the hurdles at the Olympic Games in August and then reporting to football practice where he would earn All-America honors during his senior year.

Scott rushed for 1,463 yards during his career for a school record at the time. In 1948 he had an impressive 7.0 yards per carry average, gaining 670 yards on 95 attempts. Scott was the first-ever Razorback athlete to win an Olympic medal as most of Arkansas’ track success came in 1978 with the arrival of John McDonnell.

When Arkansas was recruiting Steve Little, Coach Frank Broyles asked Scott if Little could wear his retired No. 12. Scott graciously agreed and Little went on to an All-American career.

## No. 77

### Brandon Burlsworth – #77 (1994-98)

The athletic department did not see fit to retire another football jersey until after the 1998 campaign. Now the No. 77, worn by Razorback All-American offensive guard Brandon Burlsworth, will be forever retired.

One of the most inspiring stories in Razorback history, Burlsworth joined the Razorbacks in 1994 as a walk-on. Following a redshirt year, he earned a scholarship with his work ethic in the weight room. After serving as a backup guard for the 1995 SEC Western Division champion Razorbacks, he earned a starting position in the spring of '96 and never yielded it. He went on to start 34 consecutive games, concluding with the Florida Citrus Bowl on Jan. 1, 1999.

Burlsworth was an All-SEC offensive guard in 1997 and in '98 he not only earned all-conference honors, but was named a first-team All-American by *The Football News*. He was the leader of an offensive line that helped the Razorback offense score more points than it had since 1970 and produce more yards than it had since the 1989 season.

In the classroom Burlsworth was equally astounding. He earned his bachelor's degree in marketing management in 1997 and immediately went to work on his master's in business administration. In December of 1998, Burlsworth completed his master's requirements to become the first Razorback football player to complete a master's degree before playing in his final game.

Burlsworth was drafted in the third round by the Indianapolis Colts, but unfortunately would die tragically in an automobile accident less than

two weeks later. The entire state of Arkansas was stunned and head coach Houston Nutt recommended that Burlsworth's jersey be retired. Athletic director Frank Broyles quickly agreed.

Burlsworth's locker remains intact as a tribute to his memory in the UA football dressing room.

# RAZORBACKS

Joe Ferguson was named to Arkansas' All-Century Team in 1994 after passing for 4,431 yards in three seasons from 1970-72.

2 SEASONS — 1906-07, 5-8-3

F.C. Longman was the final faculty member to serve as the football program's volunteer coach. Though the Cardinals suffered five shutouts during his tenure, they also earned a shutout win at Tulane and began Arkansas' series with Tennessee during the 1907 season.

## HUGO BEZDEK

5 SEASONS — 1908-12, 29-13-1

The first full-time, paid coach in Arkansas football history, Hugo Bezdek guided the Cardinals to a 5-4 campaign in his first season. In 1909 he led UA to what is widely regarded as the program's breakthrough season — a 7-0-0 campaign during which Arkansas outscored its foes 186-18. Upon the team's return from a win over LSU in Memphis, Tenn., that season, Bezdek told students his team had played "like a wild band of razorback hogs." The students liked the nickname and officially adopted it prior to the 1910 season.

## E.T. PICKERING

2 SEASONS — 1913-14, 11-7-0

After beginning his tenure 5-0 en route to a 7-2-0 debut season, E.T. Pickering's second and final season at the helm of the UA program is best known for a contest against Ole Miss that is still disputed nearly 90 years later. Arkansas claims a 1-0 forfeit victory due to the Rebels' use of an ineligible player; Ole Miss denies the allegation and claims a 13-7 win on the field. The dispute led to the suspension of the series until 1924.

## T.T. McCONNELL

2 SEASONS — 1915-16, 8-6-1

The beginning of T.T. McConnell's tenure as head coach at Arkansas coincided with the inaugural season of Southwest Conference football. After a 4-2-1 debut in 1915 and four consecutive wins to open the 1916 season, McConnell's tenure culminated with consecutive losses to LSU, Texas, Oklahoma and Mississippi A&M.

## NORMAN PAINE

**2 SEASONS** — 1917-18, 8-3-1

Only a loss at Texas in the season finale prevented Norman Paine from an undefeated record in his first season, which began with five-consecutive wins. His 1917 win over LSU was Arkansas' only victory against the Fighting Tigers in six games from 1915 to 1921. After playing the Sooners to a scoreless tie in 1917, Paine's 1918 team suffered the worst defeat in school history — a 103-0 loss at Oklahoma.

## J.B. CRAIG

**1 SEASON** — 1919, 3-4-0

Although J.B. Craig's only season included a lopsided 63-7 loss to Henry Kendall, it concluded with a 7-6 win over Oklahoma in the Razorbacks' most recent home meeting with the Sooners. The win avenged the 103-0 loss at Norman, Okla., the year before.

## G.W. McLAREN

**2 SEASONS** — 1920-21, 8-5-3

G.W. McLaren's Razorback teams yielded just 19 points in the six Southwest Conference games during his two-year tenure. His inaugural Arkansas team in 1920 shut-out SWC foes SMU, Phillips and Rice en route to a 2-0-1 league mark. Because the SWC did not count ties toward winning percentage until 1925, the 1920 team is credited with a 1.000 league winning percentage but was not credited with a share of the league title won by Texas with a 5-0-0 conference mark.

## FRED THOMSEN

13 SEASONS — 1929-41, 56-61-10

Still the second-longest-tenured head coach in Arkansas football history, Fred

Thomsen was an offensive innovator who made the passing game an integral part of the UA attack. He led the Hogs to what would have been their first Southwest Conference title in 1933 only to vacate the championship for using an ineligible player. All-SWC performances by Jack Robbins and Jim Benton helped the Hogs to the SWC crown in 1936 and a tie for 18th in the final Associated Press poll in its first year of existence.

**GEORGE COLE**

1 SEASON — 1942, 3-7-0

The first of just two Arkansas graduates to serve as head football coach at his alma mater, George Cole went on to serve as athletic director at the school from 1970 to 1973. An All-Southwest Conference quarterback and a shortstop on the UA baseball team during his collegiate career, Cole began his administrative career as a line coach for the Razorbacks in 1936 and served as assistant athletic director under John Barnhill. Arkansas' baseball facility, Baum Stadium at George Cole Field, bears his name.

### JOHN BARNHILL

4 SEASONS — 1946-49, 22-17-3

Widely credited with uniting the state of Arkansas behind the Razorback program, John Barnhill led UA to a share of the Southwest Conference title and its first Cotton Bowl berth in the first of his four seasons before retiring from coaching to focus on his duties as athletic director. His coaching tenure included the debut of War Memorial Stadium in Little Rock, Ark., the Hogs' second and third bowl appearances and the recruitment of 1948 All-American and Olympic silver medal winner Clyde Scott.

## OTIS DOUGLAS

3 SEASONS — 1950-52, 9-21-0

Despite personnel that included future NFL stars Fred Williams, Dave "Hawg" Hanner, Pat Summerall, Lamar McHan, Floyd Sagely and Lewis Carpenter, the Razorbacks managed just nine wins during Douglas' three-year tenure. The highlight of his stay was a 16-14 win over Texas in 1951 — the Razorbacks' first win over the Longhorns in Fayetteville.

### BOWDEN WYATT

2 SEASONS — 1953-54, 11-10-0

After an inauspicious 3-7-0 mark in his initial campaign, Bowden Wyatt led the "25 Little Pigs" to Arkansas' second Southwest Conference title in 1954. That season also saw the Hogs earn their first win at Texas in 17 years, followed the next week by a 6-0 upset of Ole Miss on a 66-yard touchdown pass from Bob Benson to Preston Carpenter known to Razorback fans as the "Powder River Play." Wyatt left after the 1954 season to coach Tennessee, his alma mater.

**HOUSTON NUTT**

10 SEASONS — 1998-2007, 75-48-0

Houston Nutt was the third Arkansas head coach to take the Razorbacks to a bowl game in each of his first six seasons. He led the Hogs to three SEC Western Division crowns, eight bowl games, two bowl victories, three final national rankings and four nine-win seasons. Nutt's 8-0 start in 1998 marked the best debut ever for a UA head coach and helped UA reach its first New Year's Day game since 1990. In 2001 and 2006, Nutt was voted SEC Coach of the Year by the Associated Press and league coaches.

## RAZORBACKS IN OVERTIME

Arkansas has established itself as an authority on overtime games.

In 2001, the Razorbacks won the longest game ever played, the 58-56, seven-overtime thriller at Ole Miss. In 2003, UA matched that effort with another seven-overtime thriller, the 71-63 win at Kentucky. Earlier in the season, Arkansas claimed a double-overtime victory at Alabama. In 2007, the Razorbacks won a 50-48, triple-overtime thriller at No. 1 LSU.

Arkansas had played extra-period games before those mentioned, but the Ole Miss and Kentucky games, and the six-overtime loss at Tennessee in 2002, rank at the top of the charts for the most overtimes played in NCAA history.

### Key Points Regarding Overtime Games

- The team winning the coin toss has the option of taking the ball first or playing defense first. The team losing the coin toss selects the end of the field for both possessions.
- The team losing the coin toss has the option of going on offense or defense first for the second overtime while the other team chooses the end of the field.
- Each team gets the ball at the opponent 25-yard line.
- Beginning with the third overtime period, teams must attempt a two-point conversion following a touchdown.

### ARKANSAS 71, KENTUCKY 63 (7 OT)

Nov. 1, 2003 • Lexington, Ky.

#### GAME NOTES

- Matches the record for the longest game in NCAA history (UA-Ole Miss in 2001)
- DeCori Birmingham had a career-best rushing performance, and the 11th-best in school history, with 196 yards and two TDs on 40 carries.
- UA set an NCAA team record for the most points in overtime with 47.

**T**he policies that follow have been prepared in consideration of your needs, as well as the needs of our student-athletes and coaches, in hopes of creating a positive working environment for us all. As always, we welcome your suggestions and will try to accommodate any special requests you may have.

## STUDENT-ATHLETE INTERVIEWS

Interviews with our student-athletes are encouraged, but we **require** all interview arrangements be made via the media relations department. **Student-athletes are instructed to decline any interviews not pre-arranged by the media relations department.** UA football student-athletes are generally available for in-person interviews Monday through Wednesday prior to afternoon meetings (usually from 12:30 p.m. to 1:30 p.m.) and again after each day's practice (through Wednesday of game weeks). **All student-athlete and assistant coach interview requests must be made at least a day in advance to allow time to facilitate the notification process.** No interviews will be scheduled for the period between afternoon meetings and that day's practice. No interviews will be conducted on Thursday, Friday or Saturday (except post-game). Telephone interviews can be arranged, but student-athletes' telephone numbers will not be provided and student-athletes are instructed to politely decline interviews when contacted by telephone.

Student housing, the training room, the weight room and locker rooms are off-limits to members of the media. Exceptions to this policy may be made in the event of a pre-arranged story that may involve a request to shoot video in a restricted area.

## DAILY PRACTICE

Following each practice session, head coach Bobby Petrino or a member of the UA coaching staff will conduct a group interview with members of the media. Video and still photographers from accredited media outlets wishing to shoot practices are asked to consult with the media relations department for current guidelines prior to arrival at the practice field. As a general rule, video and photography are allowed during the first 20 minutes of practice.

Following each practice session Monday through Thursday, the media relations department will produce a brief, Associated Press-style practice story, including quotes from Coach Petrino. The story may be retrieved from the Razorbacks' official Web site, ArkansasRazorbacks.com.

## WEEKLY PRESS CONFERENCE OPPORTUNITIES

Please consult the UA media relations department for the schedule of weekly press opportunities for Coach Petrino and student-athletes.

## SEC WEEKLY COACHES' TELECONFERENCE

In conjunction with the Southeastern Conference, head coach Bobby Petrino will participate each week in the league's teleconference of football coaches. The teleconferences will be conducted each Wednesday from **Sept. 2 to Nov. 25 from 10 a.m. CT to 11:50 a.m. CT. Petrino's scheduled time slot is from 11 a.m. CT to 11:07 a.m. CT.** Accredited media members only may access the broadcast-quality teleconference. Callers may participate in the question-and-answer session with an individual coach or all SEC coaches. For more information and the teleconference number, contact the UA men's sports information office or the SEC Media Relations Office at (205) 458-3000.

## ARKANSAS SATELLITE UPLINK

The Arkansas Media Relations office will offer its own uplink of interviews once a week during the 2009 season. Please contact the media relations department at (479) 575-2751 for dates, times and coordinates.

The University of Arkansas Athletic Department and ISP formed Razorback Sports Properties in the fall of 2008. As the multi-media rights-holder, Razorback Sports Properties is responsible for all Web site, broadcasts, corporate partnerships and marketing of the university's athletics program. Owned and operated by ISP Sports, the nation's foremost collegiate sports marketing company, Razorback Sports Properties brings a national presence to the overall marketing of Razorback sports.

Founded in 1992 in Winston-Salem, N.C., ISP has enjoyed tremendous growth within the intercollegiate athletics marketplace and has remained headquartered in Winston-Salem. ISP is also a partner with more than 60 major college athletic programs, conferences, bowl games and venues. SEC members Alabama, Auburn, Georgia, South Carolina and Vanderbilt are part of the ISP family as well.

Razorback Sports Properties exclusively produces and markets a variety of corporate partnership and advertising opportunities surrounding Arkansas Athletics, including all radio and television play-by-play broadcasts, Pay-Per-View broadcasts, television and radio head coaches' shows, advertising in athletic department publications and on the official athletics department Web site (ArkansasRazorbacks.com), signage in university athletic facilities and at-event promotions.

### CHUCK BARRETT — Play-by-Play

Barrett is entering his third season as the play-by-play announcer for the Razorbacks and as a member of the Athletic Department staff, but he's no stranger to Arkansas fans or the ARSN broadcast team. This is his 16th year on the broadcast crew, including spending 11 years as the executive producer. Prior to taking over play-by-play responsibilities in the 2007 season, his duties included hosting the Pre-Game Show, Halftime and Scoreboard shows, and the football version of the Razorback Report. He has also worked as the play-by-play man for baseball since Arkansas joined the SEC in 1992. Barrett was recognized by the National Sportswriters and Sportscasters Hall of Fame as the 2007 and 2008 Arkansas Sportscaster of the Year.

### KEITH JACKSON — Color Analyst

Jackson is in his 10th season as a part of the broadcast team. The Little Rock native was a two-time All-American at Oklahoma, and a six-time Pro Bowl and three-time All-Pro selection, playing in the NFL with Philadelphia, Miami and Green Bay, and winning a Super Bowl championship with the Packers. Jackson has worked as an analyst for "TNT" and "FOX Sports Network" telecasts.

### QUINN GROVEY — Co-Host and Sideline Reporter

Grovey is in his 12th year on the broadcast team. The former Hog quarterback is a co-host of the pre-game and post-game shows, and provides insight during games as a sideline reporter. Grovey is a regional personnel manager for Home Depot.

### SCOTT INMAN — Co-Host

Inman is in his 11th year working on game broadcasts. He serves as the pre-game show and post-game Scoreboard Show co-host along with Quinn Grovey. Inman is also co-anchor of KATV's 5, 6 and 10 p.m. newscasts. A native Arkansan, he grew up in Stuttgart and graduated from Arkansas State University in 1995, where he served as the voice of Jonesboro High School football and basketball, as well as ASU Lady Indians basketball.

UNIVERSITY OF ARKANSAS

The University of Arkansas is one of America's leading land-grant universities, and despite tough economic times nationwide Chancellor G. David Gearhart is optimistic: "There has never been a better time to be a student at the University of Arkansas."

The students and faculty have never been more academically accomplished, the university's facilities have never been more sophisticated, the research done on campus has never been more innovative. The more than 19,000 students have satisfied the highest academic standards in the university's history, while also being the most diverse student body ever on campus.

The 2009-2010 academic year will be very challenging for everyone in higher education, especially students and their families, but the University of Arkansas is in a strong position to meet those challenges. The University avoided increasing student tuition for the first time in 24 years, thanks to careful budgeting and generous financial support from the state of Arkansas, alumni and university donors, as well as from the Department of Athletics. Chancellor Gearhart has also placed a priority on providing more scholarship support for students who are struggling to afford a university education.

The University of Arkansas, as a land-grant university, strives to fulfill a three-fold mission of teaching, research and service. The Fayetteville campus also serves as the flagship institution of the University of Arkansas system, which includes branch universities and the University of Arkansas for Medical Sciences. The University of Arkansas, as lead campus, serves as the state's major center of professional education, as the state's main source of theoretical and applied research and as a major engine for economic growth.

## We Prepare Students to Succeed

At the University of Arkansas, we strive for excellence in everything we do, and we achieve it with nationally ranked academic programs as well as with our athletic teams. Here, successful students will join with other graduates to succeed as business executives, scientists, engineers, teachers, writers and Olympians.

Arkansas' true success is measured by its students. In the past ten years, Arkansas has brought home more than its share of the nation's most prestigious undergraduate awards. In 2001-2002 the University of Arkansas was the only public or private institution in the country to have Rhodes, Marshall, Goldwater, Udall, NSF and James Madison recipients in the same academic year. The university continues each year to add to the overall total of highly competitive post-graduate awards won by Arkansas students. Walk through campus on Senior Walk. It features the names of all our graduates -- more than 120,000 of them. You will immediately feel connected to the pride, quality and tradition that go with an Arkansas degree.

## World-Class Faculty

At Arkansas, excellence begins in the classrooms and laboratories. Faculty members value research and the creation of knowledge, knowing that investigating the unknown translates into first-rate teaching. They publish nearly 100 books each year, participate in conferences around the world, file patents for their innovative projects and win prestigious honors and awards.

## World-Class Facilities

Over \$700 million in construction projects were completed on campus in the past ten years, are now under construction or are in the planning stages. These include plans to upgrade or renovate several of our historic buildings. The university is also engaged in an ambitious program to improve the energy efficiency of 35 of our buildings, in an on-going effort to create a sustainable campus.

## World-Class Support

Investment in the future is critical, and the unprecedented Campaign for the Twenty-First Century that concluded in 2006 resulted in a billion dollar infusion of gifts to the University of Arkansas. The effort included the largest single gift to a U.S. public university in the history of American philanthropy: a \$300 million gift from the Walton Family Charitable Trust. Primary among the programs created by the Walton gift was the designation of \$200 million toward the establishment of the Honors College.

That kind of commitment from the state and the region is not uncommon. It was the effort of the city of Fayetteville and Washington County in submitting the highest bid to the state in the 1870s that resulted in the University of Arkansas opening its doors here on Jan. 22, 1872.

## Old Main

The first building constructed on the university campus, Old Main symbolizes the strong connection to the past and the focus upon the future which come together in the present at the University of Arkansas. Completed in 1876, Old Main stood the test of time until the mid-1980s when age and modern building codes threatened to send it to the wrecking ball as it did its sister building at the University of Illinois. A major fund-raising campaign by alumni financed a total renovation of Old Main. It reopened in 1992, maintaining the beauty of a Victorian-era building but hard-wired to the internet and built to last well into its second century.

Even with renovation, Old Main remained unfinished until 2006. One of the gifts during the Campaign for the Twenty-First Century specified the installation of a clock, originally planned for the blank faces of the south tower.

As mentioned, Old Main was built from shared plans with its counterpart on the Illinois campus, with one important difference. The north tower of Arkansas' Old Main is taller than the south tower. Legend says this was symbolic of the Civil War as the lead engineer was a northern veteran.

### Senior Walk

The University of Arkansas is proud to be the last university in the nation maintaining what once was a common tradition of etching its graduates' names into the campus sidewalks. The 100,000th graduate's name went down in cement during the 1990s. Senior Walk stretches over five miles of campus sidewalks. The story of Senior Walk is a perfect example of how the University of Arkansas brings its commitment to the past together with innovations for the future. When the costs involved in hand-etching names into concrete forced numerous other universities to give up, the University of Arkansas turned to its physical plant and engineering school grads to create a one-of-a-kind computerized sandblasting machine — the SandHog. Each summer, the SandHog roars across the front lawn of Old Main, etching the names of graduates into sidewalks.

### Broad range of degrees

At Arkansas, students can major in one of over 120 undergraduate disciplines, many of which prepare them for entry into graduate studies ranging from law to medicine.

### Nine Colleges and Schools: One University

The University has five colleges and four schools to provide a wide range of majors, from agricultural business to biological engineering, from architecture to nursing, from transportation and logistics to international relations, all taught by nationally acclaimed faculty.

A program in nanoscience that combines students and faculty in physics and engineering has made the

university the leader in production of nanomaterials for universities across the country.

No matter what students choose to study the University of Arkansas has the programs, the faculty and the facilities to prepare them for the careers they want in the future.

### J. William Fulbright College of Arts and Sciences

The J. William Fulbright College of Arts and Sciences is named after former University President and U.S. Senator J. William Fulbright. The College, which includes the School of Social Work, offers degrees in the liberal arts, which span everything from ancient Egyptian dynasties to the latest discoveries in nanotechnology. Fulbright College students uncovered the world's largest nautiloid fossil, an eight-foot specimen that lived 325 million years ago and was found buried in a culvert near Fayetteville.

Our graduates are known throughout the world. We can thank alumnus Robert Maurer for the revolution in communications made possible by his invention of fiber optic cable.

The College consists of 19 departments in the arts, sciences, humanities, and social sciences. Our flourishing honors program is built on the continuing success

of our students. They regularly win competitive national awards, such as Marshall Scholarships, Barry Goldwater Scholarships, and NSF Fellowships. The College offers the premier Sturgis Fellowship for undergraduates.

### Sam M. Walton College of Business

The Sam M. Walton College of Business is ranked among the top 25 public business schools in the United States. Named in honor of the world's most successful retailer and his family's generous 1998 gift of \$50 million, the Walton College is Arkansas' flagship business school. The college offers two bachelor's degrees in six disciplines: accounting, economics, finance, information systems, management, and marketing and logistics, as well as five master's degrees, including the MBA, and two Ph.D. programs. In 2003, the Walton College introduced an innovative new business curriculum that integrates the business disciplines and better prepares its students for jobs. By connecting these disciplines, students see the big picture of a business. The college seeks to provide each student with experiences in and out of the classroom that simulate actual business so they are prepared for real-world and global opportunities. Established in 1926, the Walton College has been accredited by the AACSB International since 1931.

The College of Education and Health Professions, which includes the Eleanor Mann School of Nursing, prepares the professionals who touch people's lives every day – teachers, coaches, nurses, speech pathologists, counselors, school administrators and specialists in health science, exercise and recreation. The college's mission is to enhance the quality of life of the people of Arkansas, the nation and the world through the development of scholar-practitioners in education, health and human services.

Our students are involved in the community in many ways, including educating elementary children about health care at fairs sponsored by the Eleanor Mann School of Nursing and working as classroom teaching interns in local school districts.

Students enjoy hands-on learning in such partnerships with school districts and through research with faculty members. Research includes examining school reforms, studying treatment methods to reduce hospital stays for chronic diseases and learning about language acquisition by children.

### Fay Jones School of Architecture

The Fay Jones School of Architecture, named for one of the foremost architects of the 20th century, enjoys a national reputation for producing outstanding designers who are well prepared for professional practice in architecture and landscape architecture. Fay Jones was a member of the School's first graduating class and later served on the faculty and as the school's first dean. He received the AIA Gold Medal in 1990 at a White House ceremony; in 2000 the AIA ranked his Thorncrowne Chapel in Eureka Springs as the fourth-best building by an American architect in the twentieth century.

### Fulbright Peace Fountain

*Honoring J. William Fulbright, the 41-foot fountain is the heart of a main plaza behind Old Main. A bronze statue of the former UA president and world-renowned U.S. Senator stands facing the fountain.*

Current faculty members continue to win national and international acclaim for their work. Students gain hands-on experience at the school's community design center, which has won numerous national and international design and teaching awards, and Garvan Woodland Gardens, the school's woodland botanical garden in Hot Springs. International study programs in Rome, Mexico City, and summer field studies in Europe also expand our students' perspective.

### Honors College

One of the major benefits of the \$300 million Walton gift was the dedication of \$200 million for the Honors College to fund undergraduate University of Arkansas Honors College fellowships (\$50,000 for four years), to establish special study abroad and undergraduate research opportunities, and to support outstanding faculty in their research and honors teaching efforts.

The Honors College serves all undergraduate majors. Honors students enjoy small classes, priority registration, special housing, increased interaction

with faculty, and enhanced opportunities for hands-on research.

Within the college, the Scholarship Office and the Office of Post-Graduate Fellowships provide additional services. Promising high school seniors are assisted with their applications for the many available Sturgis, Bodenhamer, Boyer, and University of Arkansas Honors College fellowships, as well as Chancellor's and University scholarships.

### School of Law

Named by *U.S. News and World Report* among the "most diverse" law schools in America, the School of Law builds on more than 80 years of tradition and alumni success to promote professionalism, civility and leadership. Our students follow a rigorous course of study that prepares them for success in law practice, business, public service and more. Whether pursuing a J.D. or an LL.M. in the nation's only agricultural law program, students have the opportunity to expand and refine their lawyering skills – and to serve their community and state – through the Legal Clinic, an active and effective pro bono program and various skills courses. Students also may participate in the publication of one of three law journals – Arkansas Law Review, Journal of Food Law & Policy and Journal of Islamic Law & Culture. The law school's outstanding faculty not only nurtures and challenges our students, but is committed to research and outreach. A recently completed expansion of the law center includes a state-of-the-art courtroom and classrooms, two-story entrance hall, reading room, conference room and coffee shop, making it one of the most striking buildings on campus and a popular gathering place for the university community.

## Dr. G. David Gearhart, Chancellor

Dr. G. David Gearhart became the fifth chancellor of the University of Arkansas on July 1, 2008, following 10 years of service to the university in his capacity as vice chancellor for university advancement. During that decade leading up to his appointment as the campus' chief executive, he was the architect of the Campaign for the Twenty-First Century – the largest, most successful capital campaign in Arkansas history, which raised more than \$1 billion for academic programs and increased the endowment from \$119 million to almost \$900 million.

A native of Fayetteville, Arkansas, Chancellor Gearhart was born and raised in the shadow of Old Main. An alumnus of the university whose name is twice inscribed on Senior Walk for the law degree (J.D.) and doctor of education degree (Ed.D.) he earned, Gearhart feels that his entire adult life has prepared him for this singular honor and challenge.

"I believe the ultimate success of the University of Arkansas will be measured to a large extent on how it demonstrates its usefulness to society," Gearhart says. "Of all of the rich contributions that America has bestowed on the world, American higher education is among the most important. Our colleges and universities have become, perhaps, the most vital expression of the American political and social philosophy."

The path that would lead him back to his alma mater began in 1976, when Gearhart became assistant to the president at Westminster College in Fulton, Mo., where he received his baccalaureate two years earlier. In 1977, he was appointed the director of development at Westminster and led fundraising efforts for The Winston Churchill Memorial and Library. Thus was launched a nationally respected career in university advancement.

In 1978, he returned to his native state to become vice president for development at Hendrix College. After four years at Hendrix, Gearhart returned home for the first time when he was selected to be the director of development at the University of Arkansas. In this role, he spearheaded the Campaign for Books, which added more than 100,000 volumes to the University of Arkansas Library.

In 1985, Gearhart took another career leap in being appointed vice president for development and university relations at The Pennsylvania State University. Three years later, he was promoted to senior vice president, responsible for the external relations programs for 23 campuses statewide. While at Penn State, he launched a major capital campaign, which raised in excess of \$352 million. Total private gifts to Penn State during his 11 years at the university surpassed \$950 million, and Gearhart's division was cited three times by the Council

for Advancement and Support of Education (CASE) with its grand gold medal, awarded to the nation's top advancement program.

In 1995, Gearhart joined the international consulting firm of Grenzbach, Glier, and Associates as senior vice president and managing director, but stayed closely connected to advancing the mission of higher education. The Chicago-based philanthropic management firm has hundreds of clients in the United States, Canada and Europe, and fundraising goals in excess of \$40 billion. Clients managed by Gearhart included nearly two dozen non-profit organizations, colleges and universities, among them American University, Brigham Young University, Rutgers University, University of Alabama, University of Connecticut, University of Miami (Fla.), University of Pittsburgh and University of Washington.

In 1998 Gearhart once again returned to his native state as vice chancellor for university advancement at the University of Arkansas. He was responsible for development, alumni relations, constituent relations, special events and university relations programs. Arguably, his most significant impact in this role was the stunningly successful Campaign for the Twenty-First Century, a billion-dollar capital campaign that concluded in June 2005 with the University of Arkansas taking its place as one of only 13 public universities at that time to have exceeded a billion dollars raised.

The centerpiece of this campaign was a \$300 million gift from the Walton Family Charitable Support Foundation, the largest gift ever made to a public university. The direct results of Gearhart's leadership in this effort included the creation of 132 new endowed faculty positions, 1,738 new student scholarship and fellowship funds, dozens of new and renovated facilities and classrooms, and growth of the overall endowment from \$119 million in 1998 to nearly \$900 million by the time he assumed the chancellorship.

In every imaginable way, the university was transformed by this campaign.

"At the University of Arkansas our ultimate purpose is to improve the human condition, to make life better for our citizens and our state and to contribute to the general welfare of our nation," says Gearhart. "Thanks in part to the Campaign for the Twenty-First Century, we've become recognized as a rising star as a major public research university in a state where higher education must play an increasingly larger role in the lives of its citizens. Working with our sister public institutions and in partnership with our own university system, we must work hard and smart to increase the college participation rate and to strengthen the quality

of Arkansas' higher education. We must be seen as enthusiastic leaders in this venture, all in a time of diminished public resources nationally that will not make it easy, but a challenge that we at the university must embrace."

Gearhart was named a distinguished alumnus of his undergraduate alma mater, Westminster College, in 1992, and the same year was named a Fulbright Scholar and studied at Oxford University, Merton College in Oxford, England. In 1996, he was named an honorary alumnus of Penn State, where he finished his doctoral coursework in higher education administration.

In addition to his responsibilities as chancellor, Gearhart is a tenured member of the faculty in the College of Education and Health Professions, holding the rank of professor. A nationally respected expert in capital campaigns, he is the author of two books, *The Capital Campaign in Higher Education and Philanthropy*, *Fund Raising and the Capital Campaign*, as well as numerous articles.

Among his current professional affiliations, Gearhart serves as vice president of the University of Arkansas Fayetteville Campus Foundation, is a member of the board of advisors for the Arkansas World Trade Center, is a member of the Northwest Arkansas Council, and is a member of the advisory board of the Pryor Center for Oral and Visual History. He also is a licensed attorney in the state of Arkansas.

Gearhart is married to the former Jane Brockmann, whom he married in 1974. They have two children: Katy, who is a graduate of Penn State University currently working as a speech pathologist; and Brock, a graduate of the University of Arkansas who is now a vice president of investments for Greenwood and Associates.

Gearhart's late father, George A. Gearhart, was publisher of the *Northwest Arkansas Times* in Fayetteville. His mother, Joan Gearhart Havens, lives in Fayetteville.

"I have many dreams and aspirations that I've long held for the University of Arkansas," Gearhart says, "and I look forward in the months and years ahead to sharing that vision and working with our outstanding students, faculty, staff, alumni and friends, and certainly the board of trustees, on reaching our lofty goals and realizing the full potential of our university."

## Howard Brill, Faculty Athletics Representative

In his 15th year as the university's faculty representative for athletics is Howard W. Brill. A law professor at Arkansas since 1975, Brill served as the interim dean of the UA Law School during 2005-06. He previously served as a member of the Faculty Athletics Committee from 1991-94 and was on a special committee to prepare the SEC's Gender Equity Policy in the spring of 1994. He chaired Arkansas' NCAA Self-Study committee (1998) and co-chaired the second Self-Study Committee (2004).

Brill is a 1965 graduate of Duke and earned his law degree at Florida in 1970. He received his Master's of

law degree at Illinois in 1979. Brill has written two books on Arkansas law and has received several awards honoring his teaching. He is licensed to practice law in Arkansas, Florida and Illinois; he is on the Professional Ethics Committee and the state Judicial Ethics Advisory Committee.

He is the Vincent Foster Professor of Legal Ethics and Professional Responsibility. Along with other courses, he teaches Baseball and the Law. He has served on the Governor's Code of Ethics Commission and as a Special Justice of the Arkansas Supreme Court.

Active in community service, Brill has served as

chairman of the City of Fayetteville's Civil Service Commission, has coached youth soccer and basketball and is a Sunday School teacher. He and his wife Katherine have three children, Christian, Elizabeth and Andrew.

## Student-Athlete Academic Support for Success and Achievement

**Melissa Harwood-Rom**

Associate Athletic Director  
for Student-Athlete Support Services

### STUDENT-ATHLETE ACADEMIC SUPPORT AND ACHIEVEMENT MISSION STATEMENT

*The primary focus of the Razorback Student-Athlete Academic Support and Achievement Program is to provide the student-athlete with the opportunity to develop the skills necessary to be a success in college and in life. This is accomplished through superior academic counseling, life skills training and preparation to enter the job market upon graduation.*

#### The Bogle Academic Center

There is no higher priority for the University of Arkansas Athletic Department than the academic progress of its scholar-athletes. Thanks to the generous gift of Bob and Marilyn Bogle, the home of the Razorback Athletic Department's Student-Athlete Academic Support and Achievement program is the Bob and Marilyn Bogle Academic Center. The 15,000-square foot Bogle Academic Center is located in the east side of Donald W. Reynolds Razorback Stadium. Under the overall direction of Senior Associate Athletic Director Jon Fagg, the Bogle Academic Center houses the Arkansas Razorbacks Academic Support Program, the Razorback Office of Student Life and the Career Development Program.

Associate Athletic Director for Student-Athlete Support Services Melissa Harwood-Rom oversees the staff of professionals dedicated to directing student-athletes to reach their personal academic goals, and to do so in ways that balance their academic, athletic and personal lives.

Redshirt freshman quarterback Jim Youngblood (left) and senior tailback Michael Smith (right) were among the 28 members of the football team honored for their success in the classroom by making Arkansas' Academic Honor Roll during the fall 2008 semester.

#### Student-Athlete Academic Support and Achievement Services

The Mission Statement for the Razorback Student-Athlete Academic Support and Achievement division – SAASA – speaks for itself, but the improvements and achievements of the Razorbacks over the past academic year are what is most important.

At Arkansas, academic services are not just good grades and eligibility. Along with 18 of 19 teams exceeding the NCAA standard for APR, Razorbacks earned some of the highest conference and national academic honors in the 2008-09 year including a pair of Southeastern Conference Scholar-Athletes of the Year.

It is also not about honoring the "A" student. Arkansas Athletics is committed to every single athlete improving his or her academic performance every semester, working to achieve academic "personal bests" with each class just the same as we would expect our athletes to hit personal records in competition.

# RAZORBACKS

## University of Arkansas Academic Game Plan for Graduation

Student-athletes are expected to meet specific academic criteria in order to maintain eligibility. This is easily achieved by following the Academic Game Plan created by the Student-Athlete Academic Support and Achievement team.

The SAASA designs programs and sets specific goals to help student-athletes achieve academic success. An example of a key goal is the successful completion of 30 hours of coursework during each academic year. By maintaining this course load, Razorback athletes not only stay on track to graduate in four years, but easily meet eligibility requirements set by the NCAA.

## Study Hall and Tutors

A quiet setting for uninterrupted study, the Bogle Academic Center provides three types of study hall space. The computer lab (above) has over 30 stations for individual computer-based study. An open study hall is available for group or individual study, and monitored by staff members of the SAASA. There are 17 individual study carrels that provide space for tutors to meet with student-athletes for individual instruction in specific subjects.

Each Razorback team sets its own criteria for study hall attendance. The use of tutors is a key element for academic success, allowing for individualized assistance and for reaching academic excellence in advanced subjects.

### Class Attendance

The University of Arkansas Razorback Athletic Department has an overall student-athlete class attendance policy. Student-Athlete Academic Support and Achievement assists with the enforcement of this policy through regular checks on class attendance. If traveling with a team, student-athletes notify instructors early in each semester regarding assignments or exams.

### Student Life

The social and personal development of student-athletes is as important to the University of Arkansas as the academic and athletic achievement. The Office of Student Life focuses on the personal development and community service components of the NCAA CHAMPS/

LifeSkills program. Training is provided in a variety of areas including financial planning, drug and alcohol education, time management, study skills and developing community service activities.

### Career Development

The purpose of the Career Development Program is to assist student-athletes in making a smooth transition from the University of Arkansas into the workplace. This process begins during the freshman year with a one-hour course on career options.

Workshops are held to provide student-athletes training in resume writing, interviewing skills and etiquette. Individual assistance with locating summer internships and job placement gives student-athletes a head start into their chosen careers.

## Arkansas Razorbacks in the Community

Community service is a vital part of the educational process for any college student, and Razorback athletes took the lead in 2008-09 by registering a record number of community service work.

The often reported bad news in college sports sometimes masks the overwhelming good things done by the vast majority of student-athletes.

Among the programs that built the more than 2,500 volunteer hours performed in the past academic year:

- Participation in the campus-wide clean-up after the disastrous ice storm of the winter of 2009.
- Going out to area elementary schools to support the Book Hogs reading program and the Sweat Hogs physical education awareness program.
- Individual team projects ranging from volunteering at the Fayetteville Public Library, working with Habitat for Humanity, assisting with area shelters or helping the local youth programs like the Scouts.

The quiet efforts of our 19 Razorback teams have a long-lasting impact on the youth of our state. The incredible positive benefit of the time spent by the Razorbacks helping the community pays tremendous dividends, not only for the University of Arkansas, but for the entire state.

And while we focus here on the positive benefits for the fresh young faces who receive an autograph or a kind word of encouragement from a Razorback, we know that there is a considerable impact upon our student-athletes, our future leaders. The opportunity to give back impresses upon them that no matter their personal circumstances when they arrived in Fayetteville, they have a chance to not only improve their lives, but touch the lives of others.

For the second year, Razorback athletes turned out to support Lift Up America. Football player Elton Ford (above) helps load a vehicle for one of the regional charities benefiting from the gift of food from Tyson Foods. At left, the 89 athletes

from almost every Razorback team assisted in the project to combat hunger in the area.

Working over two weekends and incorporating home events at football, soccer and volleyball, the SAAC members gathered 10,000 pounds of non-perishable food items. In addition, the SAAC coordinated Razorback student-athletes volunteering as celebrity sackers at Fayetteville area grocery stores to raise awareness and collect more food items

One of the largest department outreach programs is Book Hogs, an elementary school reading program that takes Razorback athletes into area schools for assemblies to emphasize the power of reading. Several athletes reached out to inspire future Razorbacks with their stories of the importance of reading and studying at 13 elementary schools in the area. Above, Michael Smith and D.J. # Jeff Long

## Vice Chancellor for Intercollegiate Athletics and Director of Athletics

Entering his second full year as Vice Chancellor and Director of Athletics, Jeff Long has not only guided the University of Arkansas' Department of Intercollegiate Athletics through a period of unprecedented transition, he has transformed and revitalized a tradition-rich athletics program encompassing 19 sports and nearly 460 student-athletes. Long has not only accepted, but embraced the challenge of leading a Razorback program that serves as a source of pride for so many at the University of Arkansas, in all corners of the state and to thousands of Razorbacks all around the world.

Long has established a multi-faceted combined athletics program uniformly committed to the development of student-athletes academically, athletically and socially. A part of Chancellor G. David Gearhart's Executive Committee, Long and other members of the University's leadership team are charged with developing policies and charting the course for the future of higher education. Since his arrival, Long and his staff have re-engaged the athletic department with the University Community working to more fully integrate Razorback Athletics into the campus environment.

The success of Long's approach can be measured in part by the remarkable accomplishments of the Razorback program in his tenure. Arkansas has captured five conference championships and advanced to 25 post-season competitions while drawing more than a million fans annually to campus to cheer on the Razorbacks. In the classroom, the Razorbacks exceed national

APR standards in 18 of 19 sports while nine of 15 sport programs improved their team GPA from 2007-08 to 2008-09. In the community, Razorback student-athletes are more active than ever volunteering more than 2,500 hours of time in between the rigors of school and athletic practice and competition.

Administratively, landmark agreements have been negotiated with ISP and with Southeastern Conference television partners to guarantee future revenue streams and secure the financial base of the program in uncertain economic times.

Even the most optimistic outlook would have been hard pressed to foresee the level of success that the Razorback program would attain in such a short time after Long was selected to replace legendary athletic director and former Razorback football coach Frank Broyles in September of 2007. Before Long officially took the reins, the University of Arkansas announced that it would combine its previously independent men's and women's athletic programs into one combined athletic program.

Shortly after that announcement, Long was busy engineering the first coaching search of his tenure. Long not only found the next head football coach, he convinced Bobby Petrino, one of the most successful collegiate coaches in recent history, to return to the college game and to Arkansas. Long made four other head coaching hires in his first year and a half, including hiring men's track and field coach Chris Bucknam to be the successor for John McDonnell, the most successful NCAA Division

I track and field coach in history. In addition, Long added head coaches Robert Pulliza (volleyball), Erin Aubry (soccer) and Mike Larabee (softball) to the Razorback staff.

By the time, Long officially started his new position on Jan. 1, 2008, he had already accomplished a list of tasks vital to the short and long-term health of the Razorback program. He had begun the process of carefully blending the men's and women's athletic departments into one unified department and establishing a new administrative structure. Under Long's leadership, Arkansas revised policies governing class attendance, drug testing, the NCAA Opportunity fund as well as other compliance and business office procedures. The academic support services division was re-organized and a formal division of student life was created focusing on student-athlete development and community service.

Long was busy on external issues as well. In 2008, Arkansas returned to the classic Razorback logo and dropped the usage of Lady Razorbacks as a nickname for women's athletic teams. The new branding was featured in the launch of a new website ArkansasRazorbacks.com.

Long worked tirelessly to maintain long-time relationships and to forge new relationships for the benefit of the Razorback program including extending Arkansas' relationship with War Memorial Stadium in Little Rock. Perhaps his most impressive accomplishment came when he brokered a new partnership with ISP to form Razorback Sports Properties. As economic indicators were

Arkansas Vice Chancellor and Director of Athletics Jeff Long

beginning to point toward challenging economic times, Long signed Arkansas to a deal that will guarantee the Razorback program \$73 million in the next 10 years.

A number of athletic facilities also saw a transformation with Bud Walton Arena undergoing extensive renovations, including replacement of the lower seating bowl and the addition of court-side seating, ribbon boards and a courtside club room. In the spring of 2009, Bogle Park, arguably the nation's best softball facility, was dedicated on the University of Arkansas campus.

Arkansas' program flourished in Long's first year, finishing 24th in the NACDA Directors Cup, its best finish in nearly a decade. In his first full year at the helm, Arkansas scored a program record 730 points on its way to a 25th-place finish. The back-to-back top 25 Directors Cup finishes marked only the second time in school history the Razorbacks accomplished that feat.

A veteran administrator with a track record of the highest commitment to the concept of "student-athlete," Long has had more than two decades experience in athletic administration at the Division I level including at the University of Pittsburgh, University of Oklahoma, University of Michigan, Virginia Tech University and Eastern Kentucky University prior to arriving at the University of Arkansas. While known as an innovator in athletic department management, Long also understands the coach's perspective from time spent in coaching and administrative staff positions at Duke University, Rice University and North Carolina State University.

On the forefront of NCAA governance, Long served on the NCAA Management Council as one of the athletic administrators who oversaw the operations and regulation for Division I. His experience as an athletic director and administrator in America's most prestigious conferences – the Big 12, Big Ten, Big East, Atlantic Coast and now Southeastern Conference gives Long a uniquely informed perspective on intercollegiate athletics. During his career, Long has served in five of the six Bowl Championship Series leagues.

Prior to assuming his current roles at Arkansas, Long served for four years as the athletic director at the University of Pittsburgh. During his tenure, Long redefined Pitt athletics, most notably through the "Quest for Excellence" campaign. Designed to enhance the student-athlete

experience for Panther athletes through scholarship endowments and capital gifts for facility construction and renovation, the Quest resulted in almost \$34 million in just over two and a half years.

His commitment to building the Pitt athletics brand resulted in a new primary mark for the Panthers which returned the powerful "PITT" brand to the University of Pittsburgh. He established a partnership with adidas for uniforms and apparel for all 19 Pitt teams and an agreement with ISP Sports.

Long's four-year tenure added up to Pittsburgh becoming one of the nation's top programs, notably the Panthers' selection as the No. 17 overall program in the nation in the December 2006 Sports Illustrated on Campus' All-Sport Rankings.

As an athletic leader, Long was a key advocate for the Big East during the league's time of membership transition. Due in part to his leadership, the Big East maintained its position as a key member of the Bowl Championship System, and the Pitt Panthers earned the Big East's automatic berth in 2004 at the Tostitos Fiesta Bowl. Along with his tenure on the Executive Council, Long also served on the NCAA's Sports Wagering Task Force in 2004, and as a member of the Executive Committee of the Division I-A Athletic Directors' Association.

Before arriving at Pitt, Long was senior associate athletic director at Oklahoma for two and a half years. Responsible for the external affairs of the Sooners, he oversaw key brand areas of marketing and promotions, licensing, media relations, ticketing, radio and television rights and SoonerVision productions. In addition, Long was the primary administrator for the Sooners' highly successful football and men's basketball programs, along with sport supervision of baseball, wrestling and both golf teams.

Long's first appointment as a director of athletics was at Eastern Kentucky where he served for two and a half years. He made several revisions to the

*The Long Family: Stephanie, Christina, Fanny and Jeff*

EKU athletic infrastructure and completed several facility projects. Long created the first modern corporate partner and sponsorship structure at ECU. Prior to Eastern, Long had a brief stay with Virginia Tech as an associate athletics director.

He began his career in college athletic administration at the University of Michigan, hired by legendary coach and athletics director, the late Bo Schembechler. During his seasons with the Wolverines, Long was promoted through a series of posts to the position of associate athletics director.

A former two-sport athlete at Ohio Wesleyan, Long earned seven varsity letters for the Bishops in football and baseball before completing his degree in economics in 1982. He started his post-graduate career in athletics as a graduate assistant football coach at the cradle of coaches, Miami University of Ohio. Long earned his master's in education at Miami in 1983, moving on to football staff positions at Rice, Duke and NC State prior to joining Michigan.

An Ohio native from Kettering, Long is married to the former Fanny Gellrich of Ann Arbor, Mich. The Longs have two daughters, Stephanie and Christina.

# The Razorback Foundation, Inc.

Performing the vital role of supporting the student-athletes at the University of Arkansas with financial support, the Razorback Foundation, Inc., is in its fourth decade of working alongside the athletic department to advance Razorback Athletics.

The goal of the foundation is ensuring that the nearly 460 student-athletes at Arkansas have the equipment, facilities and overall support to achieve the goals of graduation and athletic achievement.

For the first time in school history, all 19 Razorback head coaches and members of the athletic department's executive and senior administrative staffs are members of the Razorback Foundation. The pledge of personal support by those inside the department led the way for a growth in membership that saw the membership total increase from 10,390 in November 2008 to 10,530 in June 2009.

From January to June 2009, Razorback Foundation staff visited with more than 11,000 people at 50 Razorback Club functions, ranging from chapter meetings to scholarship fundraising golf events hosted by local Razorback Clubs.

Another key factor in raising the profile of the Razorback Foundation and fostering membership

growth was a renewed commitment to increasing A Club membership (former Razorback letter winners) and enhancing communication and coordination with Razorback Clubs throughout the region. To help facilitate communication with all foundation members, a new web site RazorbackFoundation.com was launched.

The Foundation, officially incorporated and relocated off campus in 1988, has helped provide financial aid for the construction for the Broyles Athletic Center (football and administrative offices), Charlie Baum Stadium at George Cole Field (baseball), John McDonnell Field (outdoor track and field), Randal Tyson Track Center (indoor track and field), Dills Indoor Tennis Center, the George M. Billingsley Tennis Center (outdoor tennis) and Donald W. Reynolds Razorback Stadium (football).

## Mission Statement

With the start of 2008, the Razorback Foundation, Inc., welcomed a familiar face, a man with a high profile and a long track record in athletics – legendary Arkansas athletic director Frank Broyles. The former national champion football coach and leader of Razorback men's athletics for almost 40 years, he closed out a 50-year career of service to the University and is now raising support for the University and the Razorback program.

A member of every significant college athletics hall of fame, Broyles was recently named to the NACDA Hall of Fame in 2008. His 19-season career as the Razorback head football coach included the 1964 National Championship, seven Southwest Conference titles and a record of 144-58-5.

Fayetteville's famous Dickson Street is much more than a college hangout, adding upscale condominiums and specialty retail to its long-standing reputation as the center of entertainment and dining. From hosting major national events like Bikes, Blues and BBQ or serving as the final resting place for the goal posts after Razorback football upsets, one thing remains constant — Dickson is the heart of what's happening.

# Fayetteville

From Robert Redford to James Earl Jones, the University of Arkansas hosted numerous famous speakers in recent years. Ranging from political satirist, now Senator, Al Franken to CNN's Anderson Cooper, and to former world leaders like George H. W. Bush to Israeli prime minister Ehud Barak, we've also had one of our more famous former law professors speak several times, President Bill Clinton.

One of America's largest motorcycle events, Bikes, Blues and BBQ adds another weekend of fall excitement.

## Fayetteville: Top 10 Town

Don't take our word for it. The largest city of Northwest Arkansas routinely ranks top 10 in national surveys for quality of life. Here's just a few of the 2009 top 10's:

- #4 Best Places for Business and Career *Forbes Magazine*
- #6 Top College Sport Town *Forbes.com*
- #7 Best Places to Live, Work and Play *Kiplinger's*
- #9 Healthiest Housing Market *National Builders*

With over a 1/3 of a million residents in the two-county area, there's always something happening. And if not, Fayetteville is just hours away from major cities like Dallas, Kansas City, Memphis and St. Louis.

The concerts in Fayetteville included sold-out performances by TI (above) and Foo Fighters (below left) and John Mayer (below right) at Barnhill Arena. Special events bring artists ranging from B.B. King (left) to Keith Urban and Carrie Underwood at Reynolds Razorback Stadium.

Five NCAA Regional Champions, four Southeastern Conference titles, one NCAA national championship runner-up and a third-place tie highlighted a season of athletic achievement for the University of Arkansas. Of the 19 Razorback teams, 14 made post-season team appearances.

It all added up to a record performance in the NACDA Director's Cup for the Arkansas Athletic Department in its first full season under Jeff Long. The Razorbacks were 25th in the 2008-09 standings, and second in the nation among programs with less than 20 sports.

The 25th place gives the Razorbacks their first back-to-back finishes in the NACDA top 25 since the mid-1990s.

Four Razorback teams reached the pinnacles of their sport tournaments, led by the baseball team's run to the College World Series and gymnastics' first-ever appearance in the Super Six.

Men's golf returned to the championship round, and powered its way through the match play to within a single putt of the NCAA Championship. The thrilling runner-up performance is the highest finish by men's golf in Razorback history. Men's and women's cross country advanced from the South Central Regional with the women taking the regional title. The women's tennis team won its own regional first and second round event to repeat in the NCAA Championship with a finish in the round of 16. Softball and women's golf rounded out the Razorback teams advancing to the NCAA Regionals, while women's basketball reached the round of 16 in the Women's NIT.

Both track and field programs and the swimming and diving team scored national performances in their respective meets. Coming off a 2009 NCAA Mideast Regional team title, the Razorback men's track team placed ninth at nationals. The men were also eighth at the NCAA Indoors. Arkansas' women went 20th indoors and 29th outdoors. A record-setting season in the pool led the Razorbacks to a 27th finish at the NCAA Championships.

In conference, Arkansas captured the men's track and field sweep with both indoors and outdoors. Women's cross country added another running trophy to continue its dominance as the leading distance program in the SEC. Women's tennis repeated as the SEC Western Division champions in 2009.

# Celebrating a Century of Razorbacks

The legend of the Razorback began after the turn of the century when Arkansas football coach Hugo Bezdek called his players “a wild band of Razorback hogs,” after guiding his team to a 16-0 victory over Louisiana State on November 13, 1909.

At the time, the university mascot was a Cardinal bird, matching the school’s Cardinal and White colors.

Alluding to the Razorback, characterized by a ridge back and tenacious, wild fighting ability, Bezdek never forgot this idea and often called his team “a fighting band of Razorbacks.” This new nickname became increasingly popular, and soon references to “razorbacks” began to appear in yearbooks and press accounts of athletic activities. By the following fall, the student body voted to change the official University mascot from the Cardinal to the Razorbacks in 1910.

To mark the 100th anniversary of Coach Bezdek’s proclamation and the student body vote, the Athletic Department proclaimed a year-long series of events to highlight the start of Razorbacks during the 2009-10 academic year.

All 19 Razorback teams join in the department-wide celebration with special logos on all uniforms and placed in all home venues.

There are dozens of Lions, Tigers and Bears, but in all of college athletics there is only one Razorback. The distinctive logo of the Arkansas teams is officially known as the Classic Razorback, but is known to many fans as the Helmet Hog – a fixture of the football team’s helmet for almost half a century.

There are plenty of powerful mascots in college athletics, but none as unique as the Razorback. Not many school mascots have escaped from their homes, not once, but twice, to ravage the local country side. By their nature, the Razorbacks are hard to contain.

## A Mascot Like No Other

The wild hogs known as razorbacks native to the Arkansas wilderness bear no resemblance to the typical barnyard pig of today. The untamed razorback hog was a lean, feral animal that was ill-tempered. It fought and defeated anything that crossed its path, man or beast. Turn of the 20th century outdoor magazines lauded the razorback as “the most intelligent of all the hogs and is likewise the most courageous. . . . He has a clear, farseeing eye.”

Except for the rare sighting in the Australian Outback, the Razorback only exists today in the form of Arkansas’ players and fans. A Russian boar, which closely resembles the wild hog of Hugo Bezdek’s day, currently serves as the official live mascot.

Tusk II is cared for by the Stokes family of Dardanelle, Ark., and travels to home games and special events for the Razorbacks. Tusk II is supported by the legacy program known as the Tusk Fund, and fans can participate by sending their support care of the Razorback Foundation, Inc.

While yearbook references as early as 1914 of a hog on the sideline at football games, a formal live mascot prior to the Tusk line dates back to the 1960s with a series of hogs that represented Arkansas. In addition to appearances at games, they have gained a reputation for fierce behavior.

Big Red III escaped from an exhibit near Eureka Springs in the summer of 1977 and ravaged the countryside before being gunned down by an irate farmer. Another live mascot, Ragnar, was a wild hog captured in south Arkansas by Leola farmer Bill Robinson. Before Ragnar’s spree was done, the mighty animal had killed a coyote, a 450-pound domestic pig and seven rattlesnakes. Ragnar died in 1978 of unknown causes.

Tusk II in his travel trailer meets up with Big Red.

“To sit in the stands now, I still get chill bumps every time.”

1989 All-American offensive tackle Jim Mabry on what it means to a Razorback to run through the “A”

## Running Through The “A”

For Razorback football players, there is nothing to compare with entering the stadium for a home Arkansas game. The emotion of running through the “A” stays with a player for life.

Lloyd Phillips won the Outland Trophy more than three decades ago. The veteran of the 1964 national championship team, Phillips remembers it like it was yesterday.

“The butterflies are flowing and you are [running], but it doesn’t feel like your feet are even touching the ground,” the 1966 Outland winner recalls.

Two-time Doak Walker Award winner and two-time Heisman runner-up Darren McFadden agrees.

“It is hard to describe the feeling you get as a Razorback player right before you take the field for a game,” McFadden said. “You can hear more than 70 thousand fans calling the Hogs and can feel the excitement building. I will always remember that special feeling of running through the ‘A.’”

The Razorback Marching Band sets the stage by forming a huge “A” as they march the length of the field playing Arkansas Fight. When they finish, the “A” stretches from the Razorback locker room to mid-field. To the roar of the crowd and the band blasting out Arkansas Fight, the current Razorbacks run onto the field through the “A,” connecting them to generations of previous men in the Cardinal and White.

“Just to be able to run through that ‘A’ and hear the fans cheer for you is unbelievable,” 1989 All-American offensive tackle Jim Mabry said. “To sit in the stands now, I still get chill bumps every time the band starts playing and I see the guys running out.”

## A Proper Hog Call

A chant of “Woo Pig Sooie” is known worldwide as a Hog Call. Just like any good tradition, there are lots of versions of the Hog Call (even spellings).

A properly executed Hog Call is composed of three “calls,” slowly raising one’s arms from the knees to above the head during the “Woo.” Traditionalists prescribe an eight second “Woo.” The fingers should be wiggled and the “Woo” should build in volume and pitch as the arms rise.

Upon completion of the “Woo,” both arms are brought straight down with fists clinched as if executing a chin-up while yelling, “Pig”. The right arm is extended up and out with the “Sooie.”

A full Hog Call – the kind one will always hear victorious Razorback teams execute after contests – requires two more Hog Calls, followed immediately by a “Razor-Backs” yell, coordinated with a pumping motion of the right arm after the third “Sooie.” So, in order, the full Hog Call is:

**Woooooooo. Pig. Sooie!**  
**Woooooooo. Pig. Sooie!**  
**Woooooooo. Pig. Sooie!**  
**Razorbacks!**

## The Hog Hat

It is true; no Razorback fan’s closet is complete without an official Hog Hat. The original style was a hard plastic hat with a long snout, rough razorback ridges across the top and wickedly sharp, pointed curly-cue tail. The modern versions are often sculpted from softer material. Regardless, the Hog Hat is undoubtedly the most recognized piece of fan apparel in college athletics. Just ask ESPN GameDay’s Kirk Herbstreit as he dons the traditional Hog Hat.

## Arkansas Fight

One of the first tasks of a new Razorback is learning to sing the University of Arkansas fight song. Arkansas Fight was written in the late 1920s. It is a unique tune, fitting of the only college in America with a Razorback mascot. Several other colleges have adapted the tune, but the lyrics remain unique to Arkansas.

Hit that line! Hit that line!

Keep on going!  
 Move that ball right  
 down the field!

Give a cheer. Rah! Rah!  
 Never fear. Rah! Rah!  
 Arkansas will never yield!  
 On your toes, Razorbacks,  
 to the finish,  
 Carry on with all your might!  
 For it’s A-A-R-K-A-N-S-A-S  
 for Arkansas!  
 Fight! Fight! Fi-i-ight!

## Razorback Spirit Squads

Along with being a Razorback, serving as a Razorback cheerleader has a long tradition at the University of Arkansas. Currently, the Razorbacks have two squads, a Red and White, that inspire the crowds at all home sporting events.

Arkansas also has a dance team, the Razorback Pom Squad, which performs at halftime of many events. Members of the Pom Squad also serve at baseball games as RBI Girls.

Arkansas has a team of uniformed mascots, led by the original Big Red, the Fighting Razorback. Sue E. joined the family along with kid-sized Pork Chop in the late 1990s. Boss Hog is a 9-foot-tall inflatable mascot that rounds out the team.

Jean Nail serves as the coordinator for cheerleaders and mascots. For more information on the cheer squads and tryouts, go to the Spirit Squad section of [ArkansasRazorbacks.com](http://ArkansasRazorbacks.com).

## The UA Alma Mater

Brodie Payne and Henry Tovey wrote the University of Arkansas Alma Mater in the early 1900s. They were inspired by the Ozark Mountain sunrise as it illuminated Old Main.

Pure as the dawn on the brow of thy beauty,  
 Watches thy Soul  
 from the mountains of God.  
 Over the fates of thy children departed,  
 Far from the land  
 where their footsteps have trod.  
 Beacon of hope in the ways dreary lighted,  
 Pride of our hearts that are loyal and true.  
 From those who adore unto one who  
 adores us,  
 Mother of Mothers, we sing unto you.

## WAR MEMORIAL STADIUM

FOOTBALL FACILITIES

WAR MEMORIAL STADIUM

WAR MEMORIAL

The Razorbacks' home venue in Central Arkansas for 61 years, War Memorial Stadium is slated to host Arkansas football games until 2016 after a two-year extension was signed in August 2008. During that span, the facility will host two UA games annually, including at least one Southeastern Conference game each season.

Three-year UA letterman and Congressional Medal of Honor Winner Maurice (Footsie) Britt was the featured speaker during dedication ceremonies for War Memorial Stadium on Sept. 18, 1948. On that day, a crowd of 24,950 (a record football attendance in Arkansas at that time) watched the Razorbacks defeat Abilene Christian, 40-6.

During its 61-year existence, the facility has expanded from its original capacity of 31,000 to its current figure of 53,727.

A complete lighting system and AstroTurf surface were added for the 1970 season with a new artificial surface to follow in 1974. Ten years later, another new layer of artificial turf was installed before a return to natural grass was made in 1994. AstroPlay was installed for the 2002 season.

Now named for longtime sportswriter and an authority on Razorback history, the Orville Henry Press Box at War Memorial Stadium was honored as the best in the nation by the Football Writers Association of America in 1974 — an honor for both the facility and the services provided.

A major renovation of the press box and club seating area is planned to be completed prior to the 2010 season.

## FRANK BROYLES FIELD

FOOTBALL FACILITIES

FRANK BROYLES FIELD

**N**amed for Arkansas' long-time head football coach and athletic director, Frank Broyles Field, located within Donald W. Reynolds Razorback Stadium, is the on-campus football playing field for the Arkansas Razorbacks.

Dedicated at halftime of the Arkansas-South Carolina game on Nov. 3, 2007, the on-field ceremony began with the legendary coach once again leading former Razorback football lettermen through the "A." The festivities included a surprise visit and narration from college football broadcasting legend and former Broyles' ABC Sports broadcasting partner Keith Jackson. The dedication culminated a memorable weekend that also included a reunion of former football lettermen spanning Coach Broyles' 19-year career as the Razorbacks' head football coach.

The Razorbacks capped the special evening with a 48-36 win over the No. 23 Gamecocks, including a record-breaking 321 yard rushing performance by Doak Walker Award winner and Heisman Trophy runner-up Darren McFadden.

For more than five decades, Broyles helped shape intercollegiate athletics as a legendary coach, nationally respected administrator and a tireless goodwill ambassador for his university and state.

In his 19-year stint as Arkansas' head coach, the Razorbacks posted a record of 144-58-5, captured seven SWC championships, one national championship and earned 10 bowl berths. Broyles was a six-time SWC Coach of the Year and

became the mentor to dozens of assistant coaches preparing them for successful head coaching careers in both college and pro football. His impact on the coaching profession is best measured in the development of more than 40 head coaches. Former Broyles' assistant coaches have combined to win five Super Bowls, five national championships, more than 40 conference titles and more than 2,000 games. His legacy is celebrated annually with the presentation of the Broyles Award to the nation's top assistant football coach.

Broyles assumed the role of athletic director in July 1973 and remained in that position long after retiring from coaching in 1976. While universally recognized for his coaching prowess, it was his keen administrative and business skills that allowed Broyles to charter a steady course of success for the Razorbacks. Broyles laid the groundwork for transforming the athletic program into an all-sport program that produced 43 national championships, 57 SWC and 48 SEC championships, 22 bowl appearances and a bevy of other team and individual accomplishments.

Broyles has termed this remarkable transformation "The Razorback Miracle." But for millions of Razorback fans, Frank Broyles has been the miraculous Razorback that has spent more than half a decade nurturing Arkansas into one of the most successful athletic programs in the nation.

## DONALD W. REYNOLDS RAZORBACK STADIUM

FOOTBALL FACILITIES

DONALD W. REYNOLDS RAZORBACK STADIUM

**D**onald W. Reynolds Razorback Stadium (DWRRS), following a major expansion and renovation project completed prior to the 2001 season, gives the University of Arkansas one of the finest football facilities in the nation.

The \$110 million project, which included a \$20 million gift from the Donald W. Reynolds Foundation, saw the capacity of the stadium increased from 51,000 to 72,000.

The concrete and steel below the stands were completely enclosed with a brick and glass facade. The look rivals that of many of the newer Major League Baseball stadiums. In addition to covering the steel and concrete, the concourses are wider, and concession areas and restrooms were replaced.

The east concourse is "Championship Alley" with displays of conference championships, the 1964 national title and every football letterman. The south end zone concourse is "All-American Alley" and is dedicated to Razorback All-Americans. The west concourse is "Bowl Alley" with tributes to each bowl team.

Other than the facade covering, the other most noticeable addition is the enclosure of the south end zone, which features chairback seating and the addition of approximately 7,300 total seats with space for an additional upper deck that would push the capacity to 80,000. The enclosure also includes a food court with space for five vendors.

Other major additions include an expanded press box, which includes Orville Henry Press Row, and the addition of luxury suites.

Sixty-eight suites/skyboxes were added, bringing the total to 132, and the stadium's capacity includes 8,950 club seats, inside and out.

Other additions include the 15,000 square foot Bob and Marilyn Bogle Academic Center and the 3,800 square foot Wilson Matthews "A" Club, both on

the east side where an upper deck, which seats 6,500, was added along with enclosed premium club seating.

During the 2000 season, a 30x107-foot SMARTVISION LED video screen, one of the largest video boards at any sports venue in the world, made its debut in the north end zone.

The stadium's debut came on Sept. 24, 1938, as Arkansas defeated Oklahoma A&M, 27-7. Dedicated on Oct. 8 of that year, the Hogs dropped a 9-6 decision to Baylor.

Constructed as a Works Progress Administration project with an original capacity of 13,500, the facility was first enlarged upon the arrival of John Barnhill as athletic director in 1947 when an additional 2,500 seats were added to the north end of the east and west grandstands.

In 1950, a new press box was constructed and 5,200 more seats were built on the west side. A 5,200-seat addition to the east side was completed in 1957. Expansion projects in 1965 and 1969 increased capacity to 42,678 — a figure that held steady until a year of construction on additional seats and skyboxes brought the facility to 50,000 seats prior to the 1985 season.

Other improvements during the facility's 67-year history include the addition of AstroTurf in 1969 and the construction of the Broyles Athletic Center — which houses athletic administration and coaches' offices — at the north end of the stadium in 1975. The Broyles Athletic Center underwent renovations, completed in 1994, while the playing surface was returned to natural grass in 1995 prior to the most recent change to synthetic turf prior to the 2009 season.

Arkansas' all-time record at DWRRS is 150-77-2 (.669). Prior to 1938, the Hogs played in a 300-seat stadium built in 1901 on land atop "The Hill," now occupied by Mullins Library and the Fine Arts Center.
